Land That I Love English Edition:

This Land that I Love John Shaw, 2013-11-05 February 1940 After a decade of worldwide depression World War II had begun in Europe and Asia With Germany on the march and Japan at war with China the global crisis was in a crescendo America's top songwriter Irving Berlin had captured the nation's mood a little more than a year before with his patriotic hymn God Bless America Woody Guthrie was having none of it Near starving and penniless he was traveling from Texas to New York to make a new start As he eked his way across the country by bus and by thumb he couldn't avoid Berlin's song Some people say that it was when he was freezing by the side of the road in a Pennsylvania snowstorm that he conceived of a rebuttal It would encompass the dark realities of the Dust Bowl and Great Depression and it would begin with the lines This land is your land this land is my land In *This Land That I Love* John Shaw writes the dual biography of these beloved American songs Examining the lives of their authors he finds that Guthrie and Berlin had more in common than either could have guessed Though Guthrie's image was defined by train hopping Irving Berlin had also risen from homelessness having worked his way up from the streets of New York At the same time *This Land That I Love* sheds new light on our patriotic musical heritage from Yankee Doodle and The Star Spangled Banner to Martin Luther King's recitation from My Country 'Tis of Thee on the steps of the Lincoln Memorial in August 1963 Delving into the deeper history of war songs minstrelsy ragtime country music folk music and African American spirituals Shaw unearths a rich vein of half forgotten musical traditions With the aid of archival research he uncovers new details about the songs including a never before printed verse for This Land Is Your Land The result is a fascinating narrative that refracts and re-envisions America's tumultuous history through the prism of two unforgettable anthems

[Form Follows Love \(English edition\)](#) Anna Heringer, Dominique Gauzin-Müller, 2024-08-19 According to Anna Heringer Beauty has nothing to do with money or finance but everything to do with creativity and love With statements like this she clearly has her finger on the pulse of our time judging by the packed lecture halls international awards such as the 2007 Aga Khan Award or the 2020 OBEL Award and exhibitions at MoMA MAM Sao Paulo and the Venice Biennale In *Form Follows Love* Anna Heringer talks to author Dominique Gauzin Müller about her career as an architect her studies her experiences during a workshop by Martin Rauch her practice in the Global South and current projects in the Global North She shares with us the insight that clay is not only an environmentally friendly material but in the best cases it can even trigger socially beneficial processes Essential text describing the work of Anna Heringer an architect specialized in clay How architecture can have a positive impact on the environment and society Building with local resources to maintain ecological balance Available in German English and French

Forgotten Futures, Colonized Pasts Cara Anne Kinnally, 2019-05-17 *Forgotten Futures Colonized Pasts* traces the existence of a now largely forgotten history of inter American alliance making transnational community formation and intercultural collaboration between Mexican and Anglo American elites This communion between elites was often based upon Mexican elites own acceptance and reestablishment of

problematic socioeconomic cultural and ethno racial hierarchies that placed them above other groups the poor working class indigenous or Afro Mexicans for example within their own larger community of Greater Mexico Using close readings of literary texts such as novels diaries letters newspapers political essays and travel narratives produced by nineteenth century writers from Greater Mexico *Forgotten Futures Colonized Pasts* brings to light the forgotten imaginings of how elite Mexicans and Mexican Americans defined themselves and their relationship with Spain Mexico the United States and Anglo America in the nineteenth century These lost discourses long ago written out of official national narratives and discarded as unrealized or impossible avenues for identity and nation formation reveal the rifts fractures violence and internal colonizations that are a foundational but little recognized part of the history and culture of Greater Mexico Published by Bucknell University Press Distributed worldwide by Rutgers University Press

A ^ANew English Translation of the Septuagint Albert Pietersma,Benjamin G. Wright,2007-11-02 Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint s influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap

The Social Cancer: A Complete English Version of Noli Me Tangere Jose Rizal,2021-01-01 On the last of October Don Santiago de los Santos popularly known as Capitan Tiago gave a dinner In spite of the fact that contrary to his usual custom he had made the announcement only that afternoon it was already the sole topic of conversation in Binondo and adjacent districts and even in the Walled City for at that time Capitan Tiago was considered one of the most hospitable of men and it was well known that his house like his country shut its doors against nothing except commerce and all new or bold ideas Like an electric shock the announcement ran through the world of parasites bores and hangers on whom God in His infinite bounty creates and so kindly multiplies in Manila Some looked at once for shoe polish others for buttons and cravats but all were especially concerned about how to greet the master of the house in the most familiar tone in order to create an atmosphere of ancient friendship or if occasion should arise to excuse a late arrival an excerpt
