Language Testing And Assessment Encyclopedia Of Language And Education volume 7:

Language Testing and Assessment Elana Shohamy, Nancy H. Hornberger, 2010-08-12 This volume addresses the broad theme and specific topics associated with current thinking in the field of language testing and assessment The volume offers multiple perspectives on the what the trait of languages and the how the method of assessment multiple approaches developed for assessment especially given the multiplicity of languages used by many diverse groups of learners in many different contexts focus on the societal roles of language testers their responsibility to be socially accountable and to ensure ethicality and professionalism focus on language testing in multilingual and diverse contexts This is one of ten volumes of the Encyclopedia of Language and Education published by Springer The Encyclopedia bears testimony to the dynamism and evolution of the language and education field as it confronts the ever burgeoning and irrepressible linguistic diversity and ongoing pressures and expectations placed on education around the world

Testing the Untestable in Language Education Amos Paran, Lies Sercu, 2010-06-07 The testing and assessment of language competence continues to be a much debated issue in foreign language teaching and research This book is the first one to address the testing of four important dimensions of foreign language education which have been left largely unconsidered learner autonomy intercultural competence literature and literary competence and the integration of content and language learning Each area is considered through a theoretical framework followed by two empirical studies raising questions of importance to all language teachers How can one test literary competence Can intercultural competence be measured What about the integrated assessment of content and language in CLIL and teaching Is progress in autonomous learning skill gaugeable The book constitutes essential reading for anyone interested in the testing and assessment of seemingly largely untestable aspects of foreign language competence

Encyclopedia of Language and Education Caroline Clapham, P. Corson, 1999-05-31 Each of the 29 reviews in this book provides a state of the art report of research into a different aspect of assessment of first and or second language ability There are sections on the testing of individual skills methods of assessment quantitative and qualitative approaches to test validation and the ethics and effects of testing and assessment The volume is specifically aimed at researchers who are looking for a brief synopsis of past and present research in a specific field but will also be useful as a general introduction to research in language assessment for applied linguists and language teachers

The Writings of Lyle F. Bachman James Enos Purpura, Antony John Kunnan, 2024-07-31 As one of the most recognized names in the fields of language assessment and applied linguistics Lyle F Bachman has produced a high volume of scholarly articles and books in the field of language assessment These writings have strongly influenced the discipline and over the last three decades have played an uncontested role in shaping the field as we know it today Until now Bachman s work has been spread across various mediums and not existed in one place The Writings of Lyle F Bachman is the first book to assemble Bachman s work into a single comprehensive volume The collection is composed of seven major sections each beginning with an introduction by the

editors to provide context for the papers The sections cover some of the most complex topics in the field including validity and validation the effects of test task characteristics interfaces between language testing and second language acquisition and epistemological issues in applied linguistics The collection concludes with a state of the art paper and insightful reflections about the field of language assessment The collection traces how Bachman's ideas and research insights have evolved throughout the years Given Bachman's strong impact on the field of language assessment this volume presents not only a collection of the writings but also gives an overview of the ongoing issues and debates in the field This book will be useful to both researchers and graduate students in the areas of language assessment and applied linguistics Routledge Encyclopedia of Language Teaching and Learning Michael Byram, 2004 This handbook deals with all aspects of contemporary language teaching and its history Produced for language teaching professionals it is also useful as a reference work for academic studies at postgraduate level An Introduction to Applied Linguistics Norbert Schmitt, 2013-11-26 An Introduction to Applied Linguistics Second Edition provides a complete authoritative and up to date overview of the state of the field Each of the 15 chapters offers an extended survey of a central element of Applied Linguistics and is co authored by two leading international specialists thus ensuring a full and balanced treatment of the topic covered The book is divided into three sections a description of language and language use essential areas of enquiry and the four skills and testing An Introductory chapter familiarises readers with key issues and recurrent themes whilst hands on activities and further reading sections for each chapter encourage practical analysis and wider reading For this new edition each chapter has been fully revised in line with new research and thinking in Applied Linguistics With its accessible style broad coverage and practical focus this book is ideal for students of applied linguistics TESOL and second language pedagogy as well as practicing teachers and researchers wishing to update their knowledge The Handbook of Bilingual and Multilingual Education Wayne E. Wright, Sovicheth Boun, Ofelia García, 2017-09-25 The Handbook of Bilingual and Multilingual Education presents the first comprehensive international reference work of the latest policies practices and theories related to the dynamic interdisciplinary field of bilingual and multilingual education Represents the first comprehensive reference work that covers bilingual multilingual and multicultural educational policies and practices around the world Features contributions from 78 established and emerging international scholars Offers extensive coverage in sixteen chapters of language and education issues in specific and diverse regional geographic contexts including South Africa Mexico Latvia Cambodia Japan and Texas Covers pedagogical issues such as language assessment as well as offering evolving perspectives on the needs of specific learner populations such as ELLs learners with language impairments and bilingual education outside of the classroom

Assessing Languages for Specific Purposes Dan Douglas, 2000 This book is the first to examine implementation of tests for specific purposes *Innovative Practices in Early English Language Education* David Valente, Daniel Xerri, 2023-02-08 This book shines a light on novel and less familiar domains of early English language education for children

aged 3 to 12 in mainstream and out of school settings Enveloping the volume is the making of creative connections to wider educational philosophies which extend beyond the confines of a narrow linguistic lens In reconciling the theory practice divide in English language education each chapter presents a synthesis of research issues leading to a practical showcase of ideas Organised in two main parts the first focuses on innovations within classroom practice curriculum development and child centred assessment exploring areas which have either received insufficient attention and or have been reimaged through fresh perspectives The second part explores innovations in pre and in service teacher education contexts and focuses on lesser known and or underexplored topics including bridging general and language education multilingualism in depth learning metacognition and pragmatics This is a timely publication for teacher educators and practitioners alike

Testing Academic Language Proficiency Marco Mezzadri, 2018-01-23 This book focuses on the development of the process of teaching and assessing foreign language competence for study purposes in a pluricultural and plurilingual context It addresses not only the individual who is learning the language for academic purposes LAP but also other stakeholders like teachers schools and universities and external boards such as examination boards for language testing The book highlights an ongoing research project at the University of Parma Italy aimed at developing teaching programs and evaluative tools for language for academic purposes Starting from a reflection upon the nature of language for study purposes stemming from the tradition of English for Academic Purposes it describes the model of an LAP test implemented in Italian secondary schools and universities and shows the findings concerning the performance in the test of both students whose mother tongue is Indo European and those who speak non Indo European languages
