of Religion to teach that Man derived the conception of Spirit from reflection on phenomena of sleep dreams death shadow and experiences of trance and hallucination Ghosts thus obtained became the first objects of belief and worship and were gradually magnified into gods of which in the end one became supreme on the other hand from belief in the survival of the soul grew the notion of immortality This system he proposes to study from fresh points of view In the first place he treats what he calls the X phenomena among savages clairvoyance crystalomancy second sight demoniacal possession and so on giving examples to show the prevalence of similar experiences he considers that their apparently supernatural character may have much to do with the theory of a separable soul and apparently inclines toward a belief in the verity at least of the occurrences The statements concerning the savage phenomena are not especially full the account not undertaking to exhibit a complete view of the department The second part of the treatise undertakes to supply a substitute for the nihilistic doctrine this is that the idea of God as to use the writer s words a primal eternal being author of all things the father and friend of man the invisible omniscient guardian of morality belongs to the lowest savages who reverence this supreme deity without idol worship or sacrifice as immutable impeccable all seeing benevolent and lovable To establish a doctrine so widely different from received opinion one would expect to find an elaborate examination of savage morality in its higher aspect but the scope of inquiry is limited the most important part of the examination being concerned with Australians as examples of the lowest intelligence and with their mysteries      *Shorter Dictionary of Catch Phrases* Rosalind Fergusson,2003-09-02 This collection will appeal to everyone who has ever wondered about the origin of phrases like all part of life s rich pattern and long time no see It covers a wide range of catch phrases in current use in all parts of the English speaking world Most entries are drawn from the second edition of Eric Partridge s *Dictionary of Catch Phrases* second edition edited by Paul Beale but have been completely rewritten in the light of recent research and there are many additions Catch Phrases include close your eyes and think of England have I got news for you refreshes the parts that other cannot reach some mothers do ave em you are awful but I like you      *Sunday Echoes in Week-day Hours* Mrs. Carey Brock,1873      **Irish Animal Folk Tales for Children** Doreen McBride,2021-01-18 How did a tiny wren manage to be crowned King of the Birds Why did giant Finn McCool s favourite dogs change into mountains What happened to turn a friendly cat into a cruel fiend who plotted to destroy mankind Irish Animal Tales for Children is packed with ghostly goings on weird characters and wonderful animals Irreverently told by award winning storyteller Doreen McBride these stories are not for the faint of heart      *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1900      *MEMOIRS OF A FOOL*: David Renner,2007-10-03 *MEMOIRS OF A FOOL* Volume One is highly unique It highlights the failures of the memoirist David Renner rather than his successes And as such it strikes a chord of familiarity in all of us From the President of the United States on down the life of each of us is dominated by failures many of which begin as successes For every triumph in life there is a corresponding defeat something we might note before we rush in fools to our next grand venture Renner doesn t

rush into anything He chronicles the inevitable setbacks in his life with a steady stoic humor To him existence was summed up by the Firesign Theatre in 1971 when they released their signature album I Think We re All Bozos on This Bus With this thought as his anchor Renner neither soars with his successes nor collapses with his failures He simply glides or stumbles through his paces as the lead actor in a comedy There are serious moments in Renner s story which he traces back to Transylvania in Hungary the birthplace of his parents There is a dark family secret that he doesn t learn until at seventeen he s ready to go out into the world There is his service in Air Force Intelligence inside Communist territory at the height of the Cold War There is the surreal sight of Detroit where he is living in 1967 on fire during the riots there There are the strange days in the streets during the Democratic Convention in Chicago in 1968 And there is the decade long drug addiction and the pain of lost love But in this working class saga the light moments outweigh the heavy ones and ultimately Renner s self deprecating sense of humor brings him success in one important respect as a human being
