

**Roll-out Shelves:** The roll-out shelves may be pulled out approximately 14 inches to facilitate product loading and retrieval. Do not lean on or press down heavily on the shelves, doing so may damage the shelves or their content. Pull out shelves gently to minimize any possible item shifting. To maintain stability, avoid pulling out more than one shelf at any time.

The roll-out shelves are equipped with a removable center section that allows you to customize the storage capability of your refrigerator. Your unit is shipped with three glass shelves and one wine rack, but for added versatility, additional center sections are available. You may purchase an optional open bottle cradle that allows storage of opened wine or champagne bottles. Please contact dealer or see Marvel's website at [www.marvelindustries.com](http://www.marvelindustries.com) for ordering.

**Single Bottle Racks:** Because bottles are not stacked on top of each other, you can easily view and access your inventory without disturbing other bottles.
