Gupta, 2020-01-01 What if you had a guidebook that you could turn to at each stage of your academic journey to help you navigate through the process of getting a PhD in Biblical Studies and succeeding in the academic world? This book is precisely intended to fill that need. From theory to practice, you will find discussions and answers to the most pertinent and pressing questions that prospective and current doctoral students are faced with: How do I choose a program? How can I gain admission into an elite program? How do I choose a research topic? Alongside the big questions about the process, there are also a host of smaller matters: How do I publish an article? What conferences are out there in my field? Where do I start looking for a job? How do I get teaching experience? How do I write a syllabus? This guidebook tackles all of these questions and many more in three parts: Prepare focuses on getting into a PhD program; Succeed guides you through the doctoral program, especially the writing of the dissertation; and Advance treats issues that relate to success in the academic world, such as conference participation, publishing, employment, and best practices in teaching. *Prepare, Succeed, Advance* Nijay K. Gupta, 2017-08-31 Achieving a PhD in Biblical Studies raises questions about different stages of the process commonly encountered by those who venture into the academic world. In *Prepare Succeed Advance*, Nijay K. Gupta divides the procedure into three specific phases: Prepare, which focusses on choosing the right doctoral programme and applying for it; Succeed, which deals with the delicate challenge of writing a defensible thesis; and Advance, in which he gives advice on how to face issues with success in career development in the academic field. Gupta offers discussions of and answers to the most pertinent and pressing questions that prospective and current doctoral students come in contact with in a guidebook that tackles any doubts from an authoritative perspective with a remarkable amount of personal experience. *American Universities and Colleges* Praeger Publishers, 2010-04-16 For well over a half century, *American Universities and Colleges* has been the most comprehensive and highly respected directory of four-year institutions of higher education in the United States.
