Creating Social Cohesion in an Interdependent World Tetsuo Mizukami,2016-04-08 *Creating Social Cohesion in an Interdependent World* examines the ways in which two very different societies Australia and Japan have dealt with challenges to their cultural and institutional fabric as well as the social cohesion arising from the acceleration of global interdependence during recent decades Deepening globalization has generated great social dislocation and uncertainty about collective identity and to anxiety about how to accommodate apparently unstoppable external influences The studies in this volume explore areas which have experienced significant impact from globalization including immigration policy ethnic and racial intermarriage attitudes towards ethnic and racial minorities national and cultural identity education policy and labor relations The approach used is innovative in juxtaposing two societies which although developed are contrasting in their historical origins and contemporary cultural legacies

Routledge Handbook of Japanese Sociolinguistics Patrick Heinrich,Yumiko Ohara,2019-06-05 Presenting new approaches and results previously inaccessible in English the Routledge Handbook of Japanese Sociolinguistics provides an insight into the language and society of contemporary Japan from a fresh perspective While it was once believed that Japan was a linguistically homogenous country research over the past two decades has shown Japan to be a multilingual and sociolinguistically diversifying country Building on this approach the contributors to this handbook take this further combining Japanese and western approaches alike and producing research which is relevant to twenty first century societies Organised into five parts the sections covered include The languages and language varieties of Japan The multilingual ecology Variation style and interaction Language problems and language planning Research overviews With contributions from across the field of Japanese sociolinguistics this handbook will prove very useful for students and scholars of Japanese Studies as well as sociolinguists more generally

Language, Education and Citizenship in Japan Genaro Castro-Vázquez,2013 Based on extensive original research this book explores the early educational experiences of foreign children in Japan It considers foreign children s experiences of Japanese schools examines the special tutoring such children often have to improve their language proficiency and explores the role of mothers in encouraging their children s education It contrasts the experiences of foreign children with those of Japanese children and sets out the extensive difficulties foreign children encounter in

becoming fully accepted by and integrated into Japanese society The book concludes by discussing the nature of citizenship in Japan and the importance of education including early education in shaping Japanese citizenship *Japan in Decline* Purnendra Jain,Brad Williams,2011-03-21 To what extent is Japan in decline In recent years popular writings media commentaries and analysts often take the view that the rise of Japan is long since over and that the world s second largest economy is not just treading water but that society and the economy are failing with potential catastrophic outcomes But is this really the case Could it be that once again Japan is being misread and misinterpreted Are there not both obvious and less obvious signs of renewal and recovery And how might the new DPJ led government reform Japan Based on papers given at a major international conference held at the University of Adelaide in November 2009 this thesis is examined here by a group of the world s leading specialists in their fields addressing many of the key issues facing Japan today from the economy and environment to education social policy politics internationalization diplomacy security This volume will have wide ranging interdisciplinary relevance for students and specialists alike **Reluctant Intimacies** Beata Świtek,2016-09-01 Based on seventeen months of ethnographic research among Indonesian eldercare workers in Japan and Indonesia this book is the first ethnography to research Indonesian care workers relationships with the cared for elderly their Japanese colleagues and their employers Through the notion of intimacy the book brings together sociological and anthropological scholarship on the body migration demographic change and eldercare in a vivid account of societal transformation Placed against the background of mass media representations the Indonesian workers experiences serve as a basis for discussion of the role of bodily experience in shaping the image of a national other in Japan **Language and Citizenship in Japan** Nanette Gottlieb,2012-12-12 The relationship between language and citizenship in Japan has traditionally been regarded as a fixed tripartite Japanese citizenship means Japanese ethnicity which in turn means Japanese as one s first language Historically most non Japanese who have chosen to take out citizenship have been members of the oldcomer Chinese and Korean communities born and raised in Japan But this is changing the last three decades have seen an influx of newcomer economic migrants from a wide range of countries many of whom choose to stay The likelihood that they will apply for citizenship to access the benefits it confers means that citizenship and ethnicity can no longer be assumed to be synonyms in Japan This is an important change for national discourse on cohesive communities This book s chapters discuss discourses educational practices and local linguistic practices which call into question the accepted view of the language citizenship nexus in lived contexts of both existing Japanese citizens and potential future citizens Through an examination of key themes relating both to newcomers and to an older group of citizens whose language practices have been shaped by historical forces these essays highlight the fluid relationship of language and citizenship in the Japanese context *Configurations of Family in Contemporary Japan* Tomoko Aoyama,Laura Dales,Romit Dasgupta,2014-09-15 The middle class nuclear family model has long dominated discourses on family in Japan Yet there have always been multiple configurations of family and kinship which

in the context of significant socio economic and demographic shifts since the 1990s have become increasingly visible in public discourse This book explores the meanings and practices of family in Japan and brings together research by scholars of literature gender studies media and cultural studies sociology and anthropology While the primary focus is the Japanese family it also examines the experience and practice of family beyond the borders of Japan in such settings as Brazil Australia and Bali The chapters explore key issues such as ageing single households non heterosexual living arrangements and parenting Moreover many of the issues addressed such as the growing diversity of family the increase in single person households and the implications of an ageing society are applicable to other mature late industrial societies Employing both multi and inter disciplinary approaches this book combines textual analysis of contemporary television film literature manga anime and other media with empirical and ethnographic studies of families in Japan and in transnational spaces As such it will be of great interest to students and scholars working across a number of fields including Japanese culture and society sociology of family gender studies film and media studies literature and cultural studies and gerontology Multiculturalism and Conflict Reconciliation in the Asia-Pacific K. Shimizu,W. Bradley,2014-09-12 This book is open access under a CC BY license This edited collection focuses on theories language and migration in relation to multiculturalism in Japan and the Asia Pacific Each chapter aims to provide alternative understandings to current conflicts that have arisen due to immigration and policies related to education politics language work citizenship and identity *Internationalising Japan* Jeremy Breaden,Stacey Steele,Carolyn Stevens,2014-04-24 In the twenty first century the concept of internationalisation remains a crucial tool for understanding the dynamics of globalising processes It draws attention to the dimensions of conscious action in inter and trans national phenomena connecting globalisation with individuals experience of everyday life This book explores how internationalisation is imagined discussed and operationalised in Japan and surrounding countries The chapters focus on educational leisure and cultural activities fields which are often overlooked in favour of economic and political developments in the literature The conclusion reflects on the concept of internationalisation and assesses how it is likely to develop in Japan in future taking into account the impact of the Great East Japan Earthquake of 2011 Contesting Integration, Engendering Migration F. Anthias,M. Pajnik,2014-03-04 This book aims to further the understanding of migration processes and policies in a European context with a particular focus on evaluating integration and the gendered aspects of migration integration and citizenship Integration is regarded as a contested concept and as entailing a variable and problematic set of discourses and practices Proletarian and Gendered Mass Migrations ,2013-05-02 Proletarian and Gendered Mass Migrations connects the 19th and 20th century labor migrations and migration systems in global transcultural perspective It emphasizes macro regional internal continuities or discontinuities and interactions between and within macro regions The essays look at migrant workers experiences in constraining frames and the options they seize or constraints they circumvent It traces the development from 19th century proletarian migrations to industries and plantations

across the globe to 20th and 21st century domestics and caregiver migrations It integrates male and female migration and shows how women have always been present in mass migrations Studies on historical development over time are supplemented by case studies on present migrations in Asia and from Asia A systems approach is combined with human agency perspectives Contributors include Rochelle Ball Shelly Chan Dennis D Cordell Michael Douglass Christiane Harzig Dirk Hoerder Muhamad Nadratuzzaman Hosen Hass ne Kassar Kamel Kateb Amarjit Kaur Kiranjit Kaur Gijs Kessler Akram Khater Elizabeth A Kuznesof Vera Mackie Adam McKeown Tomoko Nakamatsu Ooi Keat Gin Aswatini Raharto Marlou Schrover and Patcharawalai Wongboonsin

Governing Insecurity in Japan Wilhelm Vosse, Reinhard Drifte, Verena Blechinger-Talcott, 2014-06-27 Since the end of the Cold War Japan's security environment has changed significantly While on the global level the United States is still Japan's most important security partner the nature of the partnership has changed as a result of shifting demands from the United States new international challenges such as the North Korean nuclear programme and the rapid rise of China At the same time Japan has been confronted with new non traditional security threats such as international terrorism the spread of infectious diseases and global environmental problems On the domestic level demographic change labour migration economic decline workplace insecurity and a weakening impact of policy initiatives challenge the sustainability of the lifestyle of many Japanese and have led to a heightened sense of insecurity among the Japanese public This book focuses on the domestic discourse on insecurity in Japan and goes beyond military security The chapters cover issues such as Japan's growing perception of regional and global insecurity the changing role of military forces the perceived risk of Chinese foreign investment societal cultural and labour insecurity and how it is affected by demographic changes and migration as well as food insecurity and its challenges to health and public policy Each chapter asks how the Japanese public perceives these insecurities how these perceptions influence the public discourse the main stakeholders of this discourse and how this affects state society relations and government policies *Governing Insecurity in Japan* provides new insights into Japanese and international discourses on security and insecurity and the ways in which security is conceptualized in Japan As such it will be of interest to students and scholars working on Japanese politics security studies and international relations

Capturing Contemporary Japan Satsuki Kawano, Glenda S. Roberts, Susan Orpett Long, 2014-01-31 What are people's life experiences in present day Japan This timely volume addresses fundamental questions vital to understanding Japan in the first decade of the twenty first century Its chapters collectively reveal a questioning of middle class ideals once considered the essence of Japaneseness In the postwar model household a man was expected to obtain a job at a major firm that offered life long employment his counterpart the professional housewife managed the domestic sphere and the children who were educated in a system that provided a path to mainstream success In the past twenty years however Japanese society has seen a sharp increase in precarious forms of employment higher divorce rates and a widening gap between haves and have nots Contributors draw on rich nuanced fieldwork data collected during

the 2000s to examine work schooling family and marital relations child rearing entertainment lifestyle choices community support consumption and waste material culture well being aging death and memorial rites and sexuality The voices in these pages vary widely They include schoolchildren teenagers career women unmarried women young mothers people with disabilities small business owners organic farmers retirees and the elderly

Demographic Aspects of Migration Thomas Salzmann, Barry Edmonston, James Raymer, 2010-08-24 Dr Albert Schmid President of the Federal Office for Migration and Refugees According to the United Nations about 200 million people of the estimated world population of 6.8 billion are international migrants that corresponds to about three per cent of the total world population The proportion of international migrants in the global population has increased only marginally in the last 40 years But as a result of global population growth the absolute number of migrants has increased and their structure and spatial distribution has changed considerably A structural shift has taken place primarily in the industrialised countries where less than 20 per cent of the global workers are now living but where more than 60 per cent of all migrants worldwide reside Since 1990 more than 16 million people have moved to Germany while about 11 million have left the country in the same period Altogether 15 million people of international migration origin are living in Germany comprising almost 19 per cent of Germany's current population of 82 million At the end of 2006 about 64 million people out of Europe's population of 732 million or nine per cent lived in a European country they were not born in But why does anybody migrate at all People decide to leave because in general they expect to find better conditions and opportunities in other countries or regions

Social Inequality in Post-Growth Japan David Chiavacci, Carola Hommerich, 2016-09-13 In recent decades Japan has changed from a strongly growing economically successful nation regarded as prime example of social equality and inclusion to a nation with a stagnating economy a shrinking population and a very high proportion of elderly people Within this new forms of inequality are emerging and deepening and a new model of Japan as gap society *kakusa shakai* has become common sense These new forms of inequality are complex are caused in different ways by a variety of factors and require deep seated reforms in order to remedy them This book provides a comprehensive overview of inequality in contemporary Japan It examines inequality in labour and employment in welfare and family in education and social mobility in the urban rural divide and concerning immigration ethnic minorities and gender The book also considers the widespread anxiety effect of the fear of inequality and discusses how far these developments in Japan represent a new form of social problem for the wider world
