New Model Answer 2023

Subject Name: Database Management System			
Subject Code:			Page
Important instructions to candidates			
<ul style="list-style-type: none"> The answer should be answered by the words and not a word for word as given in the model answer sheets. The model answer and the answer written by candidate may vary but the essence has to be within the understanding level of the candidate. The language should be in grammatical spelling form should not be given in roman numerals and symbols for subject English and communication skills. While answering figures, numbers may give credit for wrong components indicated in the figures. The figure should be consistent and correct across the page. The number may give credit for any significant figure error. Candidate may be given marking for numerical problems. In some cases, the expected number values may vary and there may be some difference in the candidate's answers and model answer. In case of some questions credit may be given in judgement on part of examiner if otherwise answer found to be candidate's understanding. The programming language answers should not be given in any other language based on requirement of the question. In case the subject teacher of Information Data Governance, working in English/Hindi and Marathi language is required candidate is requested at the end of each paper to please distinguish from candidate and staff ID card, name of the subject teacher and that the answer is consistent with company's policy in the subject and subject teacher. The subject teacher should be given the answer and the answer should be marked by the subject teacher.
