**The Cass Mastern Material** James A. Perkins,2005-03-01 One of the most striking parts of Robert Penn Warren s novel All the King s Men is Chapter 4 in which narrator Jack Burden tells the story of his distant relative Cass Mastern A Confederate soldier Mastern betrays his best friend by falling in love with the man s wife and then out of guilt tries repeatedly to get killed in battle but ironically becomes a hero for his daring before finally attaining a mortal wound In The Cass Mastern Material James A Perkins fully explores how this episode supplies the crucial piece to a puzzle surrounding Warren s novel tracing the story s evolution through several versions and genres over almost twenty years Found here are both the earliest short story rendition of the Cass Mastern episode originally published in 1944 and Warren s final dramatic version completed in 1961 and now made available in print for the first time The play was finally staged in 1999 and Perkins appends related letters production notes and an interview that provide a context for understanding the work s importance in Warren s career I have always felt that the section is central to All the King s Men Warren wrote concerning the Cass Mastern material In a revolutionary reading of the novel Perkins argues that the section provides the key to unlocking the mystery of Jack Burden s paternity This unique volume affords a view of Warren s restless creative process and throws new light on the story that formed the crux of his greatest novel a story he apparently never felt he had exhausted
