Muhammad, the Prophet & Statesman William Montgomery Watt,1964 **Muhammad's Military Expeditions** Ayman S. Ibrahim,2024 The Arabic Muslim literature on Muhammad's maghazi is bountiful Since this book focuses on Muhammad's maghazi a survey of this literature is important not only to establish the centrality of the topic in Islamic thought but also to relay the uniqueness and contribution of this book To that end in this chapter I will first explore that which classical Muslim narrators wrote on Muhammad's maghazi and the ways they used the accounts to reflect Allah's support for Muhammad and the believers In the second section I will examine discussions by modern and contemporary Muslims relaying how they interpret the accounts of the maghazi In particular I will discuss their articulation of the motivations and results of Muhammad's military campaigns The first two sections of this chapter will thus establish the centrality of the maghazi as a literary genre as well as its importance among Muslims past and present In the third section I take the discussion to non-Muslim scholarship I explore briefly early views on Muhammad and his career by non-Muslims before I focus on works and arguments of key Western scholars from the nineteenth century until our present day Muhammad, the Prophet and Statesman William M Watt,1996-01-01
