From Superman To Man:

From Superman to Man Joel Augustus Rogers, 1917 *From "superman" to Man* Joel Augustus Rogers, 1941 **From "Superman" to Man** J. A. Rogers, 2011-05-01

The first book from a tireless champion of African history a novel that challenged the theories that Blacks were inferior to whites New York Amsterdam News Joel Augustus Rogers's seminal work from the Harlem Renaissance this novel first published in 1917 is a polemic against the ignorance that fuels racism The central plot revolves around a train speeding to California serviced by an African American porter named Dixon On board is a United States senator from Oklahoma a man obsessed by race who makes no attempts to hide his prejudice Unable to sleep the politician encounters Dixon in the smoking car and thus ensues a debate about religion science and racial equality A bold discussion novel in which a cultured well travelled black Pullman porter is drawn into a debate with a white passenger a Southern senator on the question of the superiority of the Anglo Saxon and the inferiority of the Negro The Guardian A genuine treasure I still insist that *From Superman to Man* is the greatest book ever written in English on the Negro by a Negro and I am glad to know that increasing thousands of black and white readers re echo the high opinion of it which I had expressed some years ago Hubert Henry Harrison A stirring story faithful to truth and helpful to a better understanding and feeling Prof George B Foster University of Chicago *From Superman to Man* J. Rogers, 2017-12-17

Joel Augustus Rogers 1880 1966 was a Jamaican American author journalist and historian who contributed to the history of Africa and the African diaspora especially the history of African Americans in the United States His research spanned the academic fields of history sociology and anthropology He challenged prevailing ideas about race demonstrated the connections between civilizations and traced African achievements He was one of the greatest popularizers of African history in the 20th century *From Superman to Man* is a stirring story faithful to truth and helpful to a better understanding and feeling *From Superman to Man* is a vindication of the American Negro a significant contribution to interracial literature in more ways than one Its breadth of scholastic research its selection and concentration of matter are as amazing as its wealth of information The book is well written and the skillful management of materials shows not only the author's mastery of his subject but his knowledge of the technique of the literary art In the program of the broadest education of the races and the promotion of social concord and co operation this volume should be in every library and home of the country In his absorbing story we see the souls of the white and darker worlds groping and struggling toward the better day of peace and good understanding between the races

From Superman to Man (1917) J. A. Rogers, 2020-06-23 Racism has surfaced time and again through the course of American history Men and women have attempted to justify their absurd opinions through a variety of arguments from religion to science to history and culture J A Rogers's brilliant polemic *From Superman to Man* uncovers how truly weak racist arguments are Set in a train carriage the plot revolves around the debate between a white racist Southern politician and an African American Pullman porter Every stereotypical argument that is put forward by the politician is rebuffed by the porter

who uses sophisticated points backed up with solid evidence to counter the frequently offensive comments Prof George B Foster University of Chicago A stirring story faithful to truth and helpful to a better understanding and feeling New York Evening Post This porter who had attended Yale had travelled extensively and spoke several languages had at his fingers end the arguments necessary to prove that his race was not a whit inferior to the Caucasian W N C Carlton Esq Librarian Newberry Library Chicago in a letter to the author I shall place your book in the permanent collection of the Library where present day and future students of the history of your race will find it a most significant document The Brooklyn Daily Eagle From Superman to Man is a vindication of the American Negro Hon George W Ellis F R G S eight years Secretary of the U S Legation to Liberia From Superman to Man by J A Rogers is a significant contribution to interracial literature in more ways than one Its breadth of scholastic research its selection and concentration of matter are as amazing as its wealth of information The book is well written and the skillful management of materials shows not only the author s mastery of his subject but his knowledge of the technique of the literary art In the program of the broadest education of the races and the promotion of social concord and co operation this volume should be in every library and home of the country In his absorbing story we see the souls of the white and darker worlds groping and struggling toward the better day of peace and good understanding between the races From Superman to Man is a fascinating and brilliantly well written attack on racial prejudices that deserves to be read by all Although first written over one hundred years ago it is just as enlightening to readers of the early twenty first century as it was in 1917 J A Rogers was a Jamaican American author journalist and historian He wrote widely in history sociology and anthropology and frequently challenged ideas surrounding race and racism His book From Superman to Man was first published in 1917 He passed away in 1966 From Superman to Man J A Rogers,2017-06-08 Rogers work was concerned with the Great Black Man theory of history This theory presented history specifically black history as a mural of achievements by prominent black people Rogers devoted a significant amount of his professional life to unearthing facts about people of African ancestry He intended these findings to be a refutation of contemporary racist beliefs about the inferiority of blacks Books such as 100 Amazing Facts about the Negro Sex and Race and World s Great Men of Color all described remarkable black people throughout the ages and cited significant achievements of black people Rogers first book From Superman to Man self published in 1917 **From Superman to Man** J A Rogers,2017-06-08 Rogers work was concerned with the Great Black Man theory of history This theory presented history specifically black history as a mural of achievements by prominent black people Rogers devoted a significant amount of his professional life to unearthing facts about people of African ancestry He intended these findings to be a refutation of contemporary racist beliefs about the inferiority of blacks Books such as 100 Amazing Facts about the Negro Sex and Race and World s Great Men of Color all described remarkable black people throughout the ages and cited significant achievements of black people Rogers first book From Superman to Man self published in 1917 *Sex and Race, Volume 1 J.*

A. Rogers, 2014-09-15 In the Sex and Race series first published in the 1940s historian Joel Augustus Rogers questioned the concept of race the origins of racial differentiation and the root of the color problem Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history the uncollected unexamined history of black people in the hope that these neglected parts of history would become part of the mainstream body of Western history Drawing on a vast amount of research Rogers was attempting to point out the absurdity of racial divisions Indeed his belief in one race humanity precluded the idea of several different ethnic races The series marshals the data he had collected as evidence to prove his underlying humanistic thesis that people were one large family without racial boundaries Self trained and self published Rogers and his work were immensely popular and influential during his day even cited by Malcolm X The books are presented here in their original editions *The Crisis* , 1924-05 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **100 Amazing Facts About the Negro with Complete Proof** J. A. Rogers, 2012-07-25 White supremacy busting facts that ran in the black publication the Pittsburgh Courier written by the renowned African American author and journalist First published in 1934 and revised in 1962 this book gathers journalist and historian Joel Augustus Rogers columns from the syndicated newspaper feature titled Your History Patterned after the look of Ripley s popular Believe It or Not the multiple vignettes in each episode recount short items from Rogers s research The feature began in the Pittsburgh Courier in November 1934 and ran through the 1960s I have been intrigued by this book and by its author since I first encountered it as a student in an undergraduate survey course in African American history at Yale Sometimes Rogers was astonishingly accurate at other times he seems to have been tripping a bit shall we say Henry Louis Gates Jr The Root Rogers made great contribution to publishing and distributing little known African history facts through books and pamphlets such as 100 Amazing Facts About the Negro with Complete Proof and The Five Negro Presidents The common thread in Roger s research was his unending aim to counter white supremacist propaganda that prevailed in segregated communities across the United States against people of African descent Black History Heroes

From Superman To Man Introduction

In the digital age, access to information has become easier than ever before. The ability to download From Superman To Man has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download From Superman To Man has opened up a world of possibilities. Downloading From Superman To Man provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading From Superman To Man has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download From Superman To Man. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading From Superman To Man. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading From Superman To Man, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download From Superman To Man has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
