

GATTACA Assignment Are your Genes your Destiny?

GATTACA is a film that shows a future society that is driven by rigorous assessment of everyone's potential. Most individuals in this society are genetically manipulated to have just those few highest-recommended genetic engineering proteins used to maximize intelligence. These individuals are called "enhanced" and live a privileged life. In contrast, individuals who are not genetically enhanced are called "flawed" and live a life of struggle and discrimination.

How does this society work? It is a society where everyone's potential is assessed and then they are genetically manipulated to have just those few highest-recommended genetic engineering proteins used to maximize intelligence. These individuals are called "enhanced" and live a privileged life. In contrast, individuals who are not genetically enhanced are called "flawed" and live a life of struggle and discrimination.
