

Good Bye To All That Robert Graves

Robert Graves

Good Bye To All That Robert Graves:

Good-Bye to All That Robert Graves, 2025-01-01T00:00:00Z First published in 1929 and therefore now public domain in the US Good Bye to All That is an autobiography by Robert Graves when the author was 34 years old It was my bitter leave taking of England he wrote in a prologue where I had recently broken a good many conventions. The title may also point to the passing of an old order following the cataclysm of the First World War the supposed inadequacies of patriotism the interest of some in atheism feminism socialism and pacifism the changes to traditional married life and not least the emergence of new styles of literary expression are all treated in the work bearing as they did directly on Graves s life The unsentimental and frequently comic treatment of the banalities and intensities of the life of a British army officer in the First World War gave Graves fame notoriety and financial security but the book s subject is also his family history childhood schooling and immediately following the war early married life all phases bearing witness to the particular mode of living and thinking that constitute a poetic sensibility Goodbye to All that Robert Graves, 1960 Robert Graves superb autobiography tells the story of his life at public school and as a young officer during the First World War It is a permanently valuable work of literary art and indispensable for the historian either of the First World War or of modern English poetry Apart however from its expetional value as a war document this book has also the interest of being one of the most candid self portraits of a poet warts and all ever painted Thesketches of friends lof Mr Graves like T E Lawrence are beautifully vivid Times Literary Goodbye to All that Robert Graves, 1995 Supplement A Study Guide for Robert Graves's "Goodbye to All That" Gale, Cengage Learning, 2016 A Study Guide for Robert Graves s Goodbye to All That excerpted from Gale s acclaimed Nonfiction Classics for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Nonfiction Classics for Students for all of your research needs Good-Bye to All That Robert Graves, 1991-12 Bringing together three of Robert Graves most significant writings on the meaning of the Great War the original 1929 edition of Goodbye to All That the essay A Postscript to Goodbye to All That and the play But It Still Goes On this volume brings works that have been long out of print to a new audience These works explore the nature of personal literature written about the Great War as well as the cultural and emotional wasteland left in its wake The introduction by Steven Trout provides an invaluable context for Graves classic autobiography An Index to Goodbye to All that by Robert Graves Jane F. Kennedy, 1967 **Good-bve** to All that Robert Graves, 1995 The objects of this autobiography written at the age of thirty three are simple enough an opportunity for a formal good by to you and to you and to you and to me and to all that forgetfulness because once all this has been settled in my mind and written down and published it need never be thought about again money Thus begins Robert Graves s classic 1929 autobiography with its searing account of life in the trenches of the First World War and yet this opening passage together with much significant material has been unavailable since 1957 when a middle aged Graves totally

revised his text robbing it of the painfully raw edge that had helped to make it an international bestseller By 1957 major changes in his private life had taken place Graves was no longer living with the American poet Laura Riding under whose influence and in whose honor the original had been written By cutting out all references to Riding by deleting passages which revealed the mental strains under which he had labored and by meticulously editing the entire text Graves destroyed most of what had made it so powerful but also removed it from the only context in which it could be fully understood We are pleased to offer the original 1929 edition on the occasion of Graves s 100th anniversary edited and annotated by Robert Graves s nephew and biographer whose lucid introduction greatly enhances its value **Robert Graves, Goodbye to All** that Christopher MacLachlan, 1984 **Goodbye to All That. by Robert Graves** Robert Graves, 2007-09-01 Goodbye to all That is Robert Graves marvellously candid self portrait of his childhood and his experiences as a young officer in the First Modern Classics Goodbye To All That Robert Graves, 2000-10-03 An autobiographical work that describes World War firsthand the great tectonic shifts in English society following the First World War Robert Graves s Goodbye to All That is a matchless evocation of the Great War s haunting legacy published in Penguin Modern Classics In 1929 Robert Graves went to live abroad permanently vowing never to make England my home again This is his superb account of his life up until that bitter leave taking from his childhood and desperately unhappy school days at Charterhouse to his time serving as a young officer in the First World War that was to haunt him throughout his life It also contains memorable encounters with fellow writers and poets including Siegfried Sassoon and Thomas Hardy and covers his increasingly unhappy marriage to Nancy Nicholson Goodbye to All That with its vivid harrowing descriptions of the Western Front is a classic war document and also has immense value as one of the most candid self portraits of an artist ever written Robert Ranke Graves 1895 1985 was a British poet novelist and critic He is best known for the historical novel I Claudius and the critical study of myth and poetry The White Goddess His autobiography Goodbye to All That was published in 1929 quickly establishing itself as a modern classic Graves also translated Apuleius Lucan and Suetonius for the Penguin Classics and compiled the first modern dictionary of Greek Mythology The Greek Myths His translation of The Rub iy t of Omar Khayy m with Omar Ali Shah is also published in Penguin Classics If you enjoyed Goodbye to All That you might like Ford Madox Ford s Parade s End also available in Penguin Modern Classics His wonderful autobiography Jeremy Paxman Daily Mail **Good-bye to All that** Robert Graves, 2007 Bringing together three of Robert Graves most significant writings on the meaning of the Great War the original 1929 edition of Goodbye to All That the essay A Postscript to Goodbye to All That and the play But It Still Goes On this volume brings works that have been long out of print to a new audience These works explore the nature of personal literature written about the Great War as well as the cultural and emotional wasteland left in its wake The introduction by Steven Trout provides an invaluable context for Graves classic autobiography York Notes on Goodbye to All that by **Robert Graves** Christopher MacLachlan, 1984 **Goodbye to All That Robert Graves**, 2018-04-24 On the hundredth

anniversary of the end of World War I a hardcover edition of one of the best and most famous memoirs of the conflict Good bye to All That was published a decade after the end of the first World War as the poet and novelist Robert Graves was preparing to leave England for good The memoir documents not only his own personal experience as a patriotic young officer of the horrors and disillusionment of battle but also the wider loss of innocence the Great War brought about By the time of his writing a way of life had ended and England and the modern world would never be the same In Graves s portrayal of the dehumanizing misery of the trenches his grief over lost friends and the surreal absurdity of government bureaucracy Graves uses broad comedy to make the most serious points about life and death The Cambridge History of Twentieth-Century English Literature Laura Marcus, Peter Nicholls, 2004 Publisher Description In Broken Images The Oxford Encyclopedia of British Literature David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www oup com us ebl Market Value Annette Campbell White, 2019-09-03 Beyond Market Value chronicles Annette Campbell White s remarkable life from a childhood spent in remote mining camps throughout the British Commonwealth where books created an imaginary home to her early adulthood in London where she first discovered a vocation as a book collector to Silicon Valley where she built a pioneering career as a formidable venture capitalist She recalls the impulsive purchase of the first book in her collection T S Eliot s A Song for Simeon and her pursuit of rare editions of all one hundred titles listed in Cyril Connolly s The Modern Movement Campbell White s collecting and career peaked in 2005 when she acquired the last of the Connolly titles and was first named to Forbes Midas List the annual ranking of the most successful dealmakers in venture capital In 2007 out of concern for their preservation Campbell White rashly sold the Connolly titles she had spent more than twenty years assembling leading to a new appreciation of what remained of her collection and going forward a broader focus on collecting modernist letters manuscripts and ephemera Beyond Market Value is both a loving tribute to literary collecting and a telling account of the challenges of being a woman in the male dominated world of finance Angels in the Trenches Leo Ruickbie, 2018-11-08 After a miraculous escape from the German military juggernaut in the small Belgian town of Mons in 1914 the first major battle that the British Expeditionary Force would face in the First World War the British really believed that they were on the side of the angels Indeed after 1916 the number of spiritualist societies in the United Kingdom almost

doubled from 158 to 309 As Arthur Conan Doyle explained The deaths occurring in almost every family in the land brought a sudden and concentrated interest in the life after death People not only asked the question If a man die shall he live again but they eagerly sought to know if communication was possible with the dear ones they had lost From the Angel of Mons to the popular boom in spiritualism as the horrors of industrialised warfare reaped their terrible harvest the paranormal and its use in propaganda was one of the key aspects of the First World War Angels in the Trenches takes us from defining moments such as the Angel of Mons on the Front Line to spirit communication on the Home Front often involving the great and the good of the period such as aristocrat Dame Edith Lyttelton founder of the War Refugees Committee and the physicist Sir Oliver Lodge Principal of Birmingham University We see here people at every level of society struggling to come to terms with the ferocity and terror of the war and their own losses soldiers looking for miracles on the battlefield parents searching for lost sons in the sance room It is a human story of people forced to look beyond the apparent certainties of the everyday and this book follows them on that journey Dysfluencies Chris Eagle, 2013-11-07 Dysfluencies is the first comprehensive study of how speech disorders are portrayed in modern literature Tracing the roots of this interaction between literary practice and speech pathology back to the rise of aphasiology in the 1860s Dysfluencies examines portrayals of disordered speech by writers like Zola Proust Joyce Melville and Mishima as well as contemporary writers like Philip Roth Gail Jones and Jonathan Lethem Dysfluencies thus speaks directly to the growing interest at present both in popular culture and the Humanities regarding the status of the Self in relation to speech pathology The need for this type of study is clear considering the number of prominent writers whose works foreground disorders of speech Melville Zola Kesey Mishima Roth et al Moreover thinkers like Freud Bergson and Jakobson were similarly concerned with the implications of language breakdown This volume shows this concern began with the rise of neurology and aphasiology which challenged spiritual conceptions of language and replaced them with a view of language as a material process rooted in the brain Dysfluencies traces the history of this interaction between literary practice and speech pathology arguing that works of literature have responded differently to the issue of language breakdown as the dominant views on the issue have shifted from neurological circa 1860s to 1920s to psychological circa 1920s to 1980s and back to neurological during the so called decade of the Brain the 1990s Mark of the Beast Alfredo Bonadeo, 2021-10-21 The First World War is a watershed in the intellectual and spiritual history of the modern world On the one hand it brought an end to a sense of optimism and decency bred by the prosperity of nineteenth century Europe On the other it brought forth a sense of futility and alienation that has since pervaded European thought That cataclysmic experience is richly reflected in the work of writers and artists from both sides of the conflict and this study provides a detailed analysis of two basic themes death and degradation that mark the literature about the war From their accounts most men entered the war lightheartedly filled with ideals of patriotism and glory but these generous feelings were soon quelled as the war settled into a stalemate its operations reduced to simply grinding away

the opposing forces In these operations Alfredo Bonadeo shows men became mere aggregations thrown against one another wasted with no appreciable effects or gains save carnage itself This cheapening and disregard for human life and being Bonadeo finds rooted not only in the conditions of war but significantly in a contempt for the common man prevailing in European political and intellectual circles This attitude is revealed most plainly in his analysis of the Italian literature which hitherto has received little note Italian leaders saw the war as an opportunity to expiate a sense of national guilt and here the inconclusive campaigns made their futility all the greater Out of the torn fields of the First World War grew the seeds of a second greater conflict but Professor Bonadeo concludes the flowering of the seeds was aided by the degradation of man s spirit on those fields The grim focus of this book the dead voices it evokes leads to a new appreciation of the meaning of the Great War

The Top Books of the Year Good Bye To All That Robert Graves The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Good Bye To All That Robert Graves: Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic: Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
