They have been translated and narrated, making another 1,300 copies in at least 44 languages. I am also almost solely responsible for selling the English versions, so I know how tough that is. This book is divided into two distinct sections: one speaks to authors since there are things that they can do to boost sales that a book seller cannot, such as design an eye-catching book cover. For authors, the journey doesn't end with writing a compelling story or crafting an insightful self-help manual. In fact, that's just the beginning. The real challenge lies in ensuring that your book reaches the
