Contrasting Ideals and Ends in the American and French Revolutions Miguel A. Faria, Jr.,2024-11-26 This book describes momentous events in the American and French Revolutions The American revolutionaries were nationalist patriots who wanted independence from Great Britain and to create a new nation based on the principles of classical liberalism and Natural Rights theory Their goal was the attainment of life liberty and the pursuit of happiness inherent in the God given or Nature derived rights of free men They did not seek to overturn the basic institutions of society as eventually the French revolutionists did when they destroyed churches desecrated tombs and even renamed the months of the year creating a new revolutionary calendar The French revolutionists adopted the revolutionary slogan Libert galit Fraternit but they did not grasp the fact that the leveling of society was incompatible with liberty And regarding fraternity they did not mean the brotherhood of all men because the nobility and common citizens who did not hold the purest aims of Jacobin ideology were exterminated

[A Firehose of Falsehood](#) Teri Kanefield,2024-02-13 Lies destroy Disinformation tears at the fabric of democracy A Firehose of Falsehood The Story of Disinformation breaks down disinformation tactics and offers tools for defending and restoring truth From Darius I of ancient Persia 522 486 BCE to blood libel of the Middle Ages to Soviet disinformation tactics and modern election deniers Teri Kanefield and Pat Dorian show how tyrants and would be tyrants deploy disinformation to gain power Democracy which draws its authority from laws instead of the whim of a tyrant requires truth For a democracy to survive its citizens must preserve and defend truth Now that the Internet has turned what was once a trickle of lies into a firehose the challenge of holding on to truth has never been greater A Firehose of Falsehood offers readers these necessary tools

[The Stowaway](#) Robert Hough,2005-10-01 With the suspense of a thriller and the moral resonance of a Joseph Conrad classic The Stowaway is an adventure story of the highest caliber a profound tale of good and evil all the more moving because it is based on actual events When two Romanian stowaways show themselves on the container ship Maersk Dubai one day into its passage across the Atlantic Ocean bosun Rodolfo Miguel escorts them to his captain assuming they ll be fed and put to work To his horror and that of the rest of the crew the officers order the men to be put onto a flimsy raft which in an instant is sucked under the frigid unforgiving water Over the next few weeks the crew is divided between those loyal to the officers and those who cannot accept what they have seen When on a later voyage a third stowaway is found and then another they re forced to come to terms with the earlier murders and at the risk of their own lives act for good or evil Intercut with these events is the backstory of the desperate stowaways forced to flee their impoverished country in search of a better life The powerful resolution of these two narratives of the stowaways and the crew makes for a tense and heart pounding tale of murder fear and courage on the high seas

[Cold War Radio](#) Richard H. Cummings,2009-04-22 During the Cold War Radio Free Europe and Radio Liberty broadcast uncensored news and commentary to people living in communist nations As critical elements of the CIA s early covert activities against communist regimes in Eastern Europe the Munich based stations drew a large audience despite efforts to jam the broadcasts and ban citizens from listening to them This history of the stations in the Cold War era reveals the perils their staff faced from the Soviet Union Bulgaria Romania and other communist states It recounts in detail the murder of writer Georgi Markov the 1981 bombing of the stations by Carlos the Jackal infiltration by KGB agent Oleg Tumanov and other events Appendices include security reports letters between Carlos the Jackal and German terrorist Johannes Weinrich and other documents many of which have never been published

Incorrect Guide series The Politically Incorrect Guide to Communism is a fearless critique of freedom's greatest ideological adversary past and present

The Story of a Life - Liberty Regained, Volume 2 Simone Kleckner, 2016-07-19 In this second volume I had the strong desire to show the blessings that came my way when I reached the United States from Romania All I needed was determination and hard work to succeed in a professional career This is the story of my life in freedom in a country with its foreign and domestic policies seen through the lens of one who experienced both tyranny and oppression and where I regained my liberty

Beyond My Dreams Peter Marmureanu, 2014 When Peter Marmureanu started learning tennis in communist held Romania he was ten years old playing barefoot on clay courts swinging a wooden paddle that served as a racket Eight years later as a member of Romania's Davis Cup team Marmureanu was traveling side by side with Ilie Nastase and Ion Tiriac to the world's capitals playing tournaments in Cairo Monte Carlo Paris London Moscow and scores of other cities In Beyond My Dreams Marmureanu recounts his life story and how he was forced to become a designated courier for the Securitate traveling with packets of top secret documents concealed in his racket cover for delivery to Romanian embassies In a last minute flight to freedom that sounds like an espionage thriller Marmureanu narrates how he made his escape But even in America where Donald Rumsfeld and President Gerald Ford helped secure his citizenship he lived for many years under FBI protection carrying a handgun for his own safety knowing the danger that loomed over Romania's defectors and what might happen if he ever went back And yet for the sake of his family Marmureanu risked a return witnessing firsthand the initial moments of insurrection preceding the fall of an evil regime In this memoir filled with intrigue courage and defiance Marmureanu tells how he escaped one of the most repressive regimes on earth the incredible but true adventure of one man's flight to freedom

United in Hate Jamie Glazov, 2009 United in Hate analyzes the Left's contemporary romance with militant Islam as a continuation of the Left's love affair with communist totalitarianism in the twentieth century Just as the Left was drawn to the communist killing machines of Lenin Stalin Mao Pol Pot and Castro so too it is now attracted to radical Islam Both the radical Left and radical Islam possess a profound hatred for Western culture for a capitalist economic structure that recognizes individual achievement and for the Judeo Christian heritage of the United States Both seek to establish a new world order leftists in the form of a classless communist society and Islamists in the form of a caliphate ruled by Sharia law To achieve these goals both are willing to wipe the slate clean by means of limitless carnage with the ultimate goal of erecting their utopia upon the ruins of the system they have destroyed

Romania under Communism Dennis Deletant, 2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania's last Communist leader Nicolae Ceau escu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania's trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures

attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry
