Gata-Viki,2023-12-01 There is so much confusion and deception in the Church today Just switch on the telly and you will see that Satan has largely succeeded in making a complete circus of the Church There are so many false gospels false doctrines false teachers and false Christians Even the true Bride has lost its way Many are truly born again and trying hard to hold on but they cannot understand why the Holy Spirit has been largely aloof in their lives even for years God knows those who are His the true Bride the good fish in the dragnet the wheat and this book is for them This book is written for the beleaguered

Bride to provide clear direction for her to find her way out of deception and back onto the narrow path that leads to Life It is in essence an extended analogy which follows the trajectory of the journey of the Israelites from Egypt to Canaan to unpack what experiences a Christian should expect as they progress on their own journey to eternal life This is that journey which can only be made on the narrow path to life which Jesus spoke of and of which He solemnly warned that few Christians would find The book projects the Christian life as the protracted journey that it is not a single life changing incident somewhere in one's past Focusing on areas of deep confusion and deception in the Church it takes a candid and profound but practical look at those doctrines which are so fundamental to the Christian life and which form practical landmark pillars along that journey salvation justification the new birth sanctification perfection and glorification It is the passionate will of Jesus Christ through this book to bring to His besieged true Bride truth and clarity of understanding of these areas so that she may regain the narrow road and begin to steadily move forward towards the goal of the crown of salvation that coveted prize of the Christian journey which the Apostle Paul diligently laboured for spoke so passionately of and finally attained himself as we all should and can This first part of the book takes a very close look at exactly how God works in His children profoundly to transform them and get them into heaven Laying out very clearly what God's expectations of us are it also looks at our part in this work that He does both in us and through us with a focus on how to practically overcome our flesh our first enemy Mark 6:34 And Jesus when He came out saw a great multitude and was moved with compassion for them because they were like sheep not having a shepherd So He began to teach them many things
