Cory Jaycee
Wolfe,2021-08-28 Cory My childhood was full of hardships that I wouldn t wish upon my worst enemy Hell we all have similar stories but through it all we stuck together We battled and survived it was us against the world The Lucky Seven That was until one by one each of my brothers started falling in love as they found their soulmates As they fell all I could do was watch with envy Honestly I was afraid I was going to lose my brothers and all we built together For as long as I could remember humor was my defense mechanism I was a natural and the words rolled off my tongue officially dubbing me the jokester I embraced that part of myself but I was tired Tired of hiding myself tired of playing it safe What would it be like to really be seen past the jokes and laughter Would it be worth it to open myself up and let someone in completely Besides my brothers would anyone else even try In the past I would have said no Not just anyone would make the effort it wouldn t be worth it But that was before I got my first glimpse of her Now I know what it means to have my heart completely owned Even if I wanted to there is no going back I ll share every deep dark secret of my past as long as it means keeping Cassi Cassi I m at the point in my life where I honestly think having a big heart is a curse Just paint a bullseye on my back and let the firing squad commence cause the universe hates me No I m not being dramatic I ll explain Not only am I obligated to spend a week on a company retreat but I m pretty much forced to spend time with my ex boyfriend Him I could ignore like I do while working I mean we re no longer together for a reason It s the part where his new bimbo girlfriend who I also work with and has a goal of making my life hell will also be there Being forced to go on this work retreat is bad enough Being forced to go on with

THEM is utter hell I can't even enjoy the beauty of the outdoors at this resort since their only goal in life is to make me miserable In order to keep my sanity I dig deep for my inner strength to make my escape and climb the side of a mountain It seems they haven't broken me enough since they stand behind me and mock me Ignoring them I try to let their hatred roll off my back but there's only so much I can take before I break The moment I'm ready to crawl under a rock from their mocking this Greek God of a man comes to my defense Nobody has ever stood up for me until Cory He not only lays my ex out he's there to catch me every single time I fall Unfortunately one of those falls might just kill us both

Shotgun Falls Shifters Mega Box Set Books 1-6 Ava Benton, Libby Bernard, Mismatched Charlotte Perkins loves Shotgun Falls. Always has. Loves the town. Loves the people. So when shop owner Sylvia Redferne asks her to help her test a new dating app, she doesn't think twice about spearheading the operation. What Charlotte hadn't counted on: Logan Fourier. Logan's a wolf shifter that's damned good on computers. He doesn't mind doing Sylvia Redferne a favor and building a dating app. Who would, considering how much Sylvia's offering to pay him for his services? What Logan hadn't counted on: Charlotte's a spitfire with a tough shell. How's he supposed to crack that shell when she thinks he's an alphahole instead of an alpha? Things don't go so well when he decides to create a dummy account and fools her into falling for his alter ego. Things really go to hell in a handbasket when the secret he's been harboring resurfaces. Can busybody Sylvia Redferne help this couple find their way back to each other, or have Logan's bullheadedness and Charlotte's defenses put up more obstacles than a witch stripped of her powers can handle?

Misguided One of Charlotte Perkins' besties has told Charlotte not to include her in the dating app that Logan Fourier created. The same app that more or less gave Charlotte and Logan their HEA. Why not? Why wouldn't Charlotte want her own happily ever after with a hunky shifter? Well, for starters, Charlotte hasn't told any of her besties that the guys on the dating app—the guys from Shotgun Falls—aren't regular guys. How's Charlotte supposed to even bring that up? Of course that's not what concerns Hope Lawrence. She has no online presence. She can't afford to. She's a girl on the run from her mafia father's cronies. Once long ago, Hope Delmonico, not Lawrence, was the apple of her daddy's eye. She found a secret place to hide in his study. He never knew that Hope was busy pretending to be a spy. No one did. The men who snuck in and killed her father's right hand man certainly had no idea. Her father standing aside and watching Uncle Vito bleeding out on his floor certainly didn't know. Hope's belief in goodness was shattered that day. She never told anyone. Until she did. And that was the wrong man. Her former boyfriend, former because he betrayed her, and told his father more or less set the mafia after her. And her own father, well, she doesn't know if she can trust him or not, so Hope did what any mafia princess would do: She took the money and ran. And hid. Until now.

Mistaken Micah's a shifter. More like a shifter with a problem. There's a curse on a rival pack of wolf shifters. Shouldn't be his problem, should it? Or so he thought. Well, he was quite mistaken. Sometimes what affects one can affect all. Esme Redferne's a witch. A witch with a grudge. In her

attempt to seek vengeance no justice she's found herself at the mercy of a ruthless wolfpack with a fierce leader who has a grudge Micah is unsure of his reaction around Esme He should've dragged her out of her cabin and turned her in he didn't Why the heck not He questions his own motives Questions his emotions He's giving her a chance He's wondering why she'd cast a curse that'll only end up with all the witches probably getting hurt from the fallout He tries to tell himself it's not his problem Except now it seems it is Misjudged Someone's killing shifters Who Why Wolf shifter Nico's hellbent on finding out who is slaughtering and dismembering shifters If only he could escape the guilt he feels He's unforgivable How can he expect to be forgiven when he can't even forgive himself Megan works at a wolf sanctuary Wolves Plain ol' everyday wolves What happens when she hits a wolf with her vehicle What about when she discovers the injured wolf is actually a wolf shifter Shift happens That's what Mischief Drake's returned to his home in Pine Cove He's back but his heart is heavy There are too many memories here and some of them are heartbreaking He bucks up and decides he's got to do what's right even if it's hard as hell Audra doesn't need saving At least she doesn't think she does But she is running She's on the run and hiding and luckily Sylvia Redferne has a solution A job tending bar in Pine Cove There's something about this town though Pine Cove's citizens are she can't put her finger on it but she won't stop being inquisitive about the matter Things go a little off course for both Audra and Drake when they meet and sparks fly Good sparks Until a figure from her past shows up How will Drake and his wolf handle this Misbehave Xavier part of Drake's old team has a condition One set of inoculations for overseas missions has left his wolf ferocious and has made Xavier prone to random rages that result in unpredictable and unplanned shifting He doesn't trust himself around anyone and isn't too happy that Drake has asked him to serve as a bodyguard to a fiery daughter of a millionaire Olivia has no clue that her best friends have all become the mates of shifters Nope she lives in a blissful ignorance Well until her father's murder And then there are attempts made on her own life When her friend's fiancé offers her a bodyguard she reluctantly agrees Who knew bodyguards could be so sexy And fanged With fur Oh boy Someone's bitten off more than they could chew
