Head and Neck Enrico Marani, Ciska Heida, 2018-11-02 This book offers a critical review of the head and neck from an anatomical physiological and clinical perspective It begins by providing essential anatomical and physiological information then discusses historical and current views on specific aspects in subsequent chapters For example the anatomy of the skull cap or cranial vault provided in the first chapter is discussed in the context of malformation and identity as well as the development of the bony skull in the following chapters These chapters provide stepping stones to guide readers through the book There are new fields of research and technological developments in which Anatomy and Physiology lose track of progress One of the examples discussed is the automated face recognition In some respects e g when it comes to cancers and malformations our understanding of the head and neck and the resulting therapeutic outcomes have been extremely disappointing In others such as injuries following car accidents there have been significant advances in our understanding of head and neck dysfunctions and their treatment Therefore head movements also during sleep and head and neck reflexes are discussed The book makes unequivocal distinctions between

correct and incorrect assumptions and provides a critical review of alternative clinical methods for head and neck dysfunctions such as physiotherapy and lymphatic drainage for cancers. Moreover, it discusses the consequences of various therapeutic measures for physiological and biomechanical conditions as well as puberty and aging. Lastly, it addresses important biomedical engineering developments for hearing, e.g., cochlear implants, and for applying vestibular cerebellar effects for vision.

America on Film Harry M. Benshoff, Sean Griffin, 2021-04-06

A comprehensive and insightful examination of the representation of diverse viewpoints and perspectives in American cinema throughout the 20th and 21st centuries. America on Film: Representing Race, Class, Gender, and Sexuality at the Movies is now in its third edition and is an authoritative and lively examination of diversity issues within American cinema. Celebrated authors and academics Harry M. Benshoff and Sean Griffin provide readers with a comprehensive discussion and overview of the industrial, socio-cultural, and aesthetic factors that contribute to cinematic representations of race, class, gender, sexuality, and ability. The book incorporates several different theoretical perspectives, including film genre, auteurism, cultural studies, Orientalism, the male gaze, feminism, and queer theory. The authors examine each selected subject via representative films, figures, and movements. Each chapter also includes an in-depth analysis of a single film to illuminate and inform its discussion of the chosen topic. America on Film fearlessly approaches and tackles several controversial areas of representation in film, including the portrayal of both masculinity and femininity in film and African and Asian Americans in film. It devotes the entirety of Part V to an analysis of the depiction of sex and sexuality in American film, with a particular emphasis on the portrayal of homosexuality. Topics covered include the structure and history of American filmmaking, including a discussion of the evolution of the business of Hollywood cinema; African Americans and American film, with a discussion of *BlacKkKlansman* informing its examination of broader issues; Asian, Latin, and Native Americans on film; Classical Hollywood cinema and class, with an in-depth examination of *The Florida Project*; Women in classical Hollywood filmmaking, including a discussion of the 1955 film *All that Heaven Allows*. Perfect for undergraduate and graduate students in film, media, and diversity-related courses, the book also belongs on the shelves of anyone interested in diversity issues in the context of American studies, communications history, or gender studies. Lastly, it is ideal for use within corporate diversity training curricula and human relations training within the entertainment industry.
