## **Man Dolls For Women:**

*Man-Made Women* Kathleen Richardson, Charlotta Odlind, 2023-01-01 This book presents a unique feminist approach to sex dolls and sex robots taking a critical look at the academic and business narratives that serve to rationalise them As new forms of pornography porn robots this edited volume provides an urgent women s centred critique The emergence of sex robots is situated within the wider context of the attack on women s rights and the relentless rise of techno pornography As an outgrowth of the industries of prostitution pornography and child sex abuse these objects offer new ways to dehumanise women and girls While support for sex robots is positioned as progressive and emancipatory the contributors in this volume argue they reduce women to consumable parts They explore how law the arts ethics economy politics and culture are interconnected with harmful technological developments

The Sex Doll Anthony Ferguson, 2014-01-10 This scholarly study of the centuries long history of fornicatory dolls examines the enduring obsession with creating an idealized silent female sexual object and the manifestations of this desire through the ages in mythology literature art philosophy and science This particular sexual impulse has been expressed in a great variety of forms such as statues mannequins sex dolls and gynoids robots In particular this study focuses on the evolution of the sex doll through its original incarnation as a sack cloth effigy through the marketing of inflatable dolls to the current elaborate cyber technology figures in an attempt to discover the hidden drives and desires which fuel this ongoing fantasy of creating a perfect powerless silent partner

**The Thinking Man's Guide to Women** J. Steven Carr, 2009-09-26 Guys have you ever asked yourself Why is she so irrational Or Why does she always have to be right Ladies have you ever asked yourself What do I really want Or He s right why can t I tell him This book contains the answer and more

**Emancipating the Female Sex** June Edith Hahner, 1990 June E Hahner s pioneering work *Emancipating the Female Sex* offers the first comprehensive history of the struggle for women s rights in Brazil Based on previously undiscovered primary sources and fifteen years of research Hahner s study provides long overdue recognition of the place of women in Latin American history Hahner traces the history of Brazilian women s fight for emancipation from its earliest manifestations in the mid nineteenth century to the successful conclusion of the suffrage campaign in the 1930s Drawing on interviews with surviving Brazilian suffragists and contemporary feminists as well as manuscripts and printed documents Hahner explores the strategies and ideological positions of Brazilian feminists In focusing on urban upper and middle class women from whose ranks the leadership for change arose she examines the relationship between feminism and social change in Brazil s complex and highly stratified society

**Sex Dolls at Sea** Bo Ruberg, 2022-06-14 Investigating and reimagining the origin story of the sex doll through the tale of the sailor s dames de voyage The sex doll and its high tech counterpart the sex robot have gone mainstream as both the object of consumer desire and the subject of academic study But sex dolls and sexual technology in general are nothing new Sex dolls have been around for centuries In *Sex Dolls at Sea* Bo Ruberg explores the origin story of the sex doll investigating its cultural implications and

considering who has been marginalized and who has been privileged in the narrative Ruberg examines the generally accepted story that the first sex dolls were dames de voyage rudimentary figures made of cloth and leather scraps by European sailors on long lonely ocean voyages in centuries past In search of supporting evidence for the lonesome sailor sex doll theory Ruberg uncovers the real history of the sex doll The earliest commercial sex dolls were not the dames de voyage but the femmes en caoutchouc women made of inflatable vulcanized rubber beginning in the late nineteenth century Interrogating the sailor sex doll origin story Ruberg finds beneath the surface a web of issues relating to gender sexuality race and colonialism What has been lost in the history of the sex doll and other sex tech Ruberg tells us are the stories of the sex workers women queer people and people of color whose lives have been bound up with these technologies *Coercive Control* Evan Stark,2009 Drawing on cases Stark identifies the problems with our current approach to domestic violence outlines the components of coercive control and then uses this alternate framework to analyse the cases of battered women charged with criminal offenses directed at their abusers **My Fair Ladies** Julie Wosk,2015-07-28 The fantasy of a male creator constructing his perfect woman dates back to the Greek myth of Pygmalion and Galatea Yet as technology has advanced over the past century the figure of the lifelike manmade woman has become nearly ubiquitous popping up in everything from *Bride of Frankenstein* to *Weird Science* to *The Stepford Wives* Now Julie Wosk takes us on a fascinating tour through this bevy of artificial women revealing the array of cultural fantasies and fears they embody *My Fair Ladies* considers how female automatons have been represented as objects of desire in fiction and how living dolls have been manufactured as real world fetish objects But it also examines the many works in which the perfect woman turns out to be artificial a robot or doll and thus becomes a source of uncanny horror Finally Wosk introduces us to a variety of female artists writers and filmmakers from Cindy Sherman to Shelley Jackson to Zoe Kazan who have cleverly crafted their own images of simulated women Anything but dry *My Fair Ladies* draws upon Wosk s own experiences as a young female Playboy copywriter and as a child of the feminine mystique era to show how images of the artificial woman have loomed large over real women s lives Lavishly illustrated with film stills artwork and vintage advertisements this book offers a fresh look at familiar myths about gender technology and artistic creation *Female Sexuality in the Early Medieval Islamic World* Pernilla Myrne,2019-11-14 In the early Islamic world Arabic erotic compendia and sex manuals were a popular literary genre Although primarily written by male authors the erotic publications from this era often emphasised the sexual needs of women and the importance of female romantic fulfilment Pernilla Myrne here explores this phenomenon examining a range of Arabic literature to shed fresh light onto the complexities of female sexuality under the Abbasids and the Buyids Based on an impressive array of neglected medical religious legal literary and entertainment sources Myrne elucidates the tension between depictions of women s strong sexual agency and their subordinated social role in various contexts In the process she uncovers a great diversity of approaches from the 9th to the 11th century including the sexual handbook the *Encyclopedia of*

Pleasure Jawami al ladhdha which portrayed the diversity of female desires asserting the importance of mutual satisfaction through lively poems and stories This is the first in depth comprehensive analysis of female sexuality in the early Islamic world and is essential reading for all scholars of Middle Eastern history and Arabic literature **Male Bodies, Women's Souls** LeeRar Costa,2013-01-11 Get a detailed look at the Thai sex gender system through analysis of the personal stories from transgendered youth in Thailand The Thai term sao braphet song a second type of woman describes males who reject the gender of masculinity for femininity Male Bodies Women s Souls Personal Narratives of Thailand s Transgendered Youth uses the narrative method stories in the words of these second type of women to analyze these transgendered experiences This previously ignored perspective of the Thai sex gender system gained through this theoretical and methodological approach offers students and general readers a rich more readily accessible foundation of knowledge about gendered subjectivity and sex gender systems Male Bodies Women s Souls Personal Narratives of Thailand s Transgendered Youth features in depth autobiographical life histories from individual Thai transgendered youth Life stories told in the participants own words provides an engaging at times touching always insightful look at Thai culture s sex gender system The authors then expertly analyze the narratives to illuminate common themes and constructions within this group allowing an opportunity for contrast and discussion on transgender experiences in other nations Male Bodies Women s Souls Personal Narratives of Thailand s Transgendered Youth analyzes the major themes in the stories including identities definitions and descriptive labels etiologies of sao braphet song ness the notion of acceptance narrator motivations for participating in the project Male Bodies Women s Souls Personal Narratives of Thailand s Transgendered Youth is illuminating reflective reading for educators undergraduate students graduate students researchers or anyone interested in discovering more about transgenderism in a specific cultural context The Fra ,1911 *The Fra* Elbert Hubbard,Felix Shay,1911 **Gender Equality and Tourism** Stroma Cole,2018-07-06 Does tourism empower women working in and producing tourism How are women using the transformations tourism brings to their advantage How do women despite prejudice and stereotypes break free resist and renegotiate gender norms at the personal and societal levels When does tourism increase women s autonomy agency and authority The first of its kind this book delivers A critical approach to gender and tourism development from different stakeholder perspectives from INGOs national governments and managers as well as workers in a variety of fields producing tourism Stories of individual women working across the world in many aspects of tourism A foreword by Margaret Bryne Swain and contributions from academics and practitioners from across the globe A lively and accessible style of writing that links academic debates with lived realities while offering hope and practical suggestions for improving gender equality in tourism Gender Equality and Tourism Beyond Empowerment a critical gendered analysis that questions the extent to which tourism brings women empowerment is an engaging and thought provoking read for students researchers and practitioners in the areas of tourism gender studies development and anthropology **The Indian Female Evangelist**

,1884     **Freedom: The End of the Human Condition** Jeremy Griffith,2016-05-24 FREEDOM has its own very informative website visit [www.humancondition.com](http://www.humancondition.com) The fastest growing realization everywhere is that humanity can't go on the way it is going Indeed the great fear is we're entering endgame where we appear to have lost the race between self destruction and self discovery the race to find the psychologically relieving understanding of our good and evil afflicted human condition Well astonishing as it is this book by biologist Jeremy Griffith presents the 11th hour breakthrough biological explanation of the human condition necessary for the psychological rehabilitation and transformation of our species The culmination of 40 years of studying and writing about our species psychosis FREEDOM delivers nothing less than the holy grail of insight we have needed to free ourselves from the human condition It is in short as Professor Harry Prosen a former president of the Canadian Psychiatric Association asserts in his Introduction The book that saves the world Griffith has been able to venture right to the bottom of the dark depths of what it is to be human and return with the fully accountable true explanation of our seemingly imperfect lives At long last we have the redeeming and thus transforming understanding of human behaviour And with that explanation found all the other great outstanding scientific mysteries about our existence are now also able to be truthfully explained of the meaning of our existence of the origin of our unconditionally selfless moral instincts and of why we humans became conscious when other animals haven't Yes the full story of life on Earth can finally be told and all of these incredible breakthroughs and insights are presented here in this greatest of all books     *War Paint* Ellen
