Dhamija, 2016-11 Luv Singh is a hired gun; he carries out assassinations for an underworld don. The clients are anonymous so are the targets. One night on a job, he awaits his target to climb out of the car that's just arrived at the scene. Zoya Merchant was Luv Singh's girlfriend back in college almost two decades earlier. He fails to take a shot. He's betrayed Zoya once before; he cannot assassinate her husband. Knowing that the mafia doesn't condone failure or dissidence, he still pledges to save Zoya's husband from whoever's calling the shots. *Nothing Else Matters* is a riveting tale set alternately in the criminal underworld and Zoya and Luv's college lives and about making choices that impact lives forever. meant to stand tall Yet it did not What caused it to fail and fall from grace despite being lauded as the right product at the right time and the most significant new car since the Ford Model T was introduced 100 years ago But is it really all over or is there still hope for India's little wonder What will the people's cars of tomorrow be like A Million Cars for a Billion People delves into the questions concerns and doubts as well as the many misconceptions and myths that have gathered momentum over the years about India's automotive history and the industry's mission to create a true people's car The very first cars that came to India the early beginnings of the industry the nascent history of the automobile across nations like Germany France US the UK Italy Japan and South Korea is narrated with authority and charm from the viewpoint of the quest for the ultimate people's car

The Missing Letters Mohammed Ubaid, Mohan Shobha and I are fast friends Perhaps that is why they have been branded as Fevicol friends To be honest the last four years during our graduation they were more like family to me than friends I am Vineet Sabrawal hailing from a middle class business family in Udupi On the other hand my friend Shobha is a carefree girl from a well to do family who has nothing to worry about Mohan is the more sincere and upright among the three of us He comes from a family struggling to meet their end needs and is seldom wrong between us When he found something fishy about a person on the streets of Udupi I and Shobha had to be a part of his journey We could not have left him alone in his quest to know to investigate this mysterious guy After all we are friends through thick and thin A small suspicion of Mohan's overworked mind has put us all on a path that will eventually change our lives and the lives of everyone around us We were happy that we were serving our country India my first valentine that has suffered from the enemies who are inside her territory like termites and trying everything to devour it The Indian forces are doing all in their hands to protect our beloved motherland and without wearing the uniforms fate has given us a golden chance to serve our nation in some unanticipated circumstances We would not have thought that a small mere hunch of Mohan will put us on the path that would make us most unlikely heroes Not realising what was in store for us ultimately we helped the agencies crack one of the most compelling cases in Indian intelligence in recent times I feel like quoting my favourite quote from the movie THE IMITATION GAME We have a lot more unlikely heroes now it's not just the guy with the guns but the guy with the brains Thank you Mohan for making us those heroes and Shobha for being there with us through and through Your friend forever Vineet Sabrawal
