

Mike Fink Answer Key

1. What truth is this tall tale based on? (Author's Note) It is based on the old days when America was a wild young country. Keelboats carried cargo down the Mississippi, Missouri, and Ohio rivers. Heading back upriver took superhuman strength because they had to pole the heavy boats against the current. The men loved to boast about who was the strongest, about the dangers they faced, and the others they liked.

2. Who is Mike Fink? He is a fictional character but the tall tale says he was the most famous of all the river wrestlers.

3. Why was it clear that Mike was destined for a life of action? He hated being shut up indoors, and so when he was only two days old he ran away from home. There were rumors that he had joined a troupe of acrobatic frogs that traveled from pond to pond.

4. How do we know this part of the story is a tall tale? Babies can't even walk at two days old!

5. How did Mike react when his Grandfather forced him to go back home? He rebelled furiously.

6. How did Mike discover the keelboats? He leaped up and down on the bed with such force that he catapulted through the roof. On the next leap, he rocketed high enough to see the vast network of rivers to the west. There he spotted the keelboats and heard the crews' hearty songs.

7. How do we know this part of the story is a tall tale? No one could leap that high.

8. Why did Mike's mother decide they would join a wagon train heading west? She knew her son would be much happier if she raised him on the frontier instead of in the family home near the Allegheny Mountains.

9. How did Mike react when their ox died? He took the place of the ox and helped his mother clear the land.
