Centering Humanism in STEM Education Bryan Dewsbury, Susannah McGowan, Sheila S. Jaswal, Desiree Forsythe, 2024-09-24 Research demonstrates that STEM disciplines perpetuate a history of exclusion particularly for students with marginalized identities This poses problems particularly when science permeates every aspect of contemporary American life Institutions repeated failures to disrupt systemic oppression in STEM has led to a mostly white cisgender and male scientific workforce replete with implicit and or explicit biases Education holds one pathway to disrupt systemic linkages of STEM oppression from society to the classroom Maintaining views on science as inherently objective isolates it from the world in which it is performed STEM education must move beyond the transactional approaches to transformative environments manifesting respect for students social and educational capital We must create a STEM environment in which students with marginalized identities feel respected listened to and valued We must assist students in understanding how their positionality privilege and power both historically and currently impacts their meaning making and understanding of STEM Argumentation and Advocacy, 2004 Harvard Can't Teach What You Learn from the Streets Sam Liebman, 2022-01-11 There are many paths to becoming successful in real estate But flipping houses holding a license or owning a home is only the beginning of what could be a long and transformative journey to building lasting wealth through real estate Your new instructor is about to arrive but he won't be sitting you down in a classroom instead the opposite Real estate investment icon Sam Liebman will whisk you straight from your seats down to the streets Harvard Can't Teach What You Learn from the Streets is no ordinary real estate investment guide It's Sam Liebman's no holds barred deep dive into the fine art of becoming a real estate mogul yourself Liebman experienced a rise to notoriety as a real estate investor after taking 4 vacant stores in Manhattan and building a new 21 story luxury condominium project with a sellout in excess of 100M He has a penchant for taking property from rubble to ritz and breaks down exactly how even a beginner investor can

replicate the process A classroom environment can only teach you so much But raw experience can take even the greenest investor and forge them into a seasoned pro Through transparent access to Liebman s expertise you ll be on the fast track to commercial real estate success Sam Liebman will teach you To master the core fundamentals of real estate systematically one step at a time The financial categories and components of a properties revenue and operating expenses The tricks of the trade the knowledge the pro s use and what goes on in the back room How to uncover the Inside Story of a property allowing you to find opportunities overlooked by others And much much more Harvard Can t Teach What you Learn from the Streets paves the way for new investors to transform their lives through the power of commercial real estate And by standing on the shoulders of giants such as Sam Liebman you ll be able to reach far beyond where you ve ever thought possible
