Game Change Sarah Palin:

Game Change LP John Heilemann, Mark Halperin, 2010-01-26 In *Game Change* John Heilemann and Mark Halperin two of the country's leading political reporters use their unrivaled access to pull back the curtain on the Obama Clinton McCain and Palin campaigns Based on hundreds of interviews with the people who lived the story *Game Change* is a reportorial tour de force that reads like a fast paced novel Character driven and dialogue rich replete with extravagantly detailed scenes it's an intimate portrait of some of the most powerful and fascinating figures in American life the occasionally shocking often hilarious ultimately definitive account of the campaign of a lifetime Sarah Palin Michael V. Uschan, 2011-10-03 This

volume traces the life of divisive political figure Sarah Palin and relates her childhood in rural Alaska her interest in basketball and journalism as a teen and young adult her devotion to her family and her faith and her unusual entrance into politics The focus is on Palin's role as a controversial figure as well as her ability to ignite conservative supporters through her charisma and fiery speeches Topics covered include the 2008 vice presidential campaign Troopergate the Tea Party Movement and Palin's association with the 2011 Arizona shooting of U S Representative Gabrielle Giffords **Sarah Palin** Carolyn Kraemer Cooper, 2010-11-02 This objective well researched biography tells the story of the woman whose meteoric rise to the 2008 Republican vice presidential candidacy made history Sarah Palin A Biography offers a candid yet unbiased look at the charismatic politician who became the first female nominee on a Republican national presidential ticket Covering her early childhood her high school and college years her ascendancy from the two term mayor of Wasilla to the Alaskan governorship the 2008 McCain Palin campaign and her position as potential 2012 Republican party standard bearer Sarah Palin looks at the crucial life experiences that brought Governor Palin to the forefront of American politics Going beyond the caricatures and politically motivated portraits it offers a compelling story of remarkable achievement over numerous obstacles of a modern frontier woman whose politics reflect the unmistakable influences of family faith and hard work

Sarah Palin Nel Yomtov, 2011-07 In 2008 Sarah Palin took the presidential campaign by storm As the Republican vice presidential candidate she went from being a little known Alaskan governor to a national political powerhouse With raw grit and determination this self proclaimed hockey mom launched herself into the national spotlight Join Palin as she fires up supporters and takes on the opposition during the 2008 campaign and beyond *The Lies of Sarah Palin* Geoffrey Dunn, 2011-05-10 In *The Lies of Sarah Palin* Geoffrey Dunn provides the first full scale and in depth political biography of the controversial Republican vice presidential candidate and former governor of Alaska Based on more than two hundred interviews many of them with Republican colleagues and one time political allies of Palin's and more than forty thousand pages of uncovered documents Dunn chronicles Palin's troubling penchant for duplicity in grim detail from her dysfunctional childhood in Wasilla through her contentious run for mayor and her failed governorship of Alaska He also provides the shocking inside story of her betrayal of running mate John McCain during the 2008 presidential campaign and her self

serving resignation as governor in July of the following year Dunn deftly places Palin in the American tradition of right wing demagogues from Huey Long to Joe McCarthy and details her troubling obsession with Barack Obama as it fuels her own political ambitions and a potential run for the presidency in 2012 *The Lies of Sarah Palin* is a journalistic tour de force that vividly reveals the Queen of the Tea Party movement as a vengeful and manipulative empress without clothes This is the definitive book on Sarah Palin *The Biopic and Beyond* Melanie Piper,2022-07-14 Biopics and other movies and television shows based on real events are increasingly appearing at the multiplex and on streaming platforms alongside blockbuster franchises and adaptations The appeal of movies and television shows based on true stories is that they claim to tell us what really happened with the public and private versions of events packaged into one coherent narrative But how do they do it and what makes this version of events so appealing *The Biopic and Beyond* investigates the process that turns the distant public figures that populate news and entertainment into screen characters that we can engage with and try to understand a little better Even though they aren't the real thing our engagement with fictionalized versions of public figures can for better or worse color the way we understand the real person behind them Screen engagement with the fake person behind the real person doesn't only happen in biopics and docudramas with media as varied as sketch comedy fan fiction and the celebrity cameo contributing to the ways we understand public figures Using case studies such as Mark Zuckerberg and *The Social Network* Sarah Palin and *Saturday Night Live* and Louis C K and *Louie* *The Biopic and Beyond* will make you think about the way you see the world through a fictionalized version of it *Projecting Politics* Elizabeth Haas,Terry Christensen,Peter J. Transnational Feminist Rhetorics and Gendered

Leadership in Global Politics Rebecca S. Richards, 2014-10-28 Transnational Feminist Rhetorics and Gendered Leadership in Global Politics examines the rhetoric surrounding women who hold or have held the highest office of a nation state Heads of state such as Golda Meir Margaret Thatcher Benazir Bhutto Ellen Johnson Sirleaf and Michelle Bachelet have navigated their ascent to executive government in vastly different ways while contending with gendered expectations of leadership especially since most of them are the first woman to occupy their country's highest governmental position This book analyzes how these women rhetorically perform their positions of power discursively visually and physically in a traditionally male leadership role Specifically this project examines how certain rhetorical acts open up and close down the potential to confront the gendered expectations surrounding political leadership When people analyze campaign for or critique a female prime minister or a woman president they are not just talking about one woman but also referencing a collective neoliberal logic that interrupts and reaffirms the belief that the nation state is an eternal inevitable structure Diverse political figures such as Angela Merkel Julia Gillard and Indira Gandhi are continually put in conversation with one another through popular media representations academic scholarship and political analyses This book examines the effect of such comparisons and connections ultimately arguing that many of these gestures reduce or over simplify women's contributions to world politics In order to show this effect this book manifests the transnational connections found in autobiographies organizations political commentaries biographical films and other sources that focus on women who have been heads of state

Mansfield,2010-09-24 She stepped onto the world stage as the Republican vice presidential nominee in the election of 2008 Previously she had only been a small town mayor and the governor of a state with slightly more than half a million people Still there was something about her She was pretty fierce in her conservatism and she seemed undaunted by the slings and arrows of national politics And there was something else as well there was a moral force that seemed to shape her life As the world grew to know Sarah Palin throughout the 2008 campaign and in her subsequent public appearances and book people began to see the force behind her a deep lifelong Christian faith This faith was the lens through which she viewed the world the bedrock of her politics and even a primary influence upon her personality To understand Sarah Palin it is essential to understand her faith What faith principles then impact Sarah Palin s politics and what are their implications for the Republican Party and the nation as a whole These questions and more are answered in the fascinating new book by New York Times bestselling author Stephen Mansfield and his co author David Holland These authors were given extensive access to Palin s pastors advisors friends and family and it has allowed them to capture the moving story of Palin s faith as well as the meaning of that faith for American politics and culture *Days of Fire* Peter Baker,2014-06-03 A New York Times Top 10
