

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space programs and rockets?	That U.S. support them economically (training, fuel, etc.)	Not really.
2. Would anyone benefit from the rockets and satellites they could build?	They would certainly produce satellites that were better. They could improve delivery of aid.	They were worried about the loss of U.S. technology when U.S. tech people came to Europe. Europe, planned under the control of General Douglas MacArthur.
3. Would anyone challenge U.S. power?	Not really.	Europe would no longer come under American and U.S. domination.
4. Would the U.S. achieve other goals under the new treaty?	Yes. The governments had no weapons. There was no communist activity.	Yes. American jobs that were important and would not lose to communist like Russia.

2. What do you think is going on in the following sentences?

There (were) thousands of satellites.

Many had been manufacturing for years.

However, because of the government the satellites were not used.

The Soviet Union had the satellites and the U.S. had the satellites.
