

GET THE HONDA HOBBIT HABIT.

The Honda moped has arrived! It's the Hobbit™. And as its name implies, it's a friend you can depend on.

The Hobbit turns your everyday dull driving trips into bright happy Hobbit hops.

Hobbit power is provided by an economical, dependable Honda two-stroke engine. Or, by your equally dependable feet on the pedals.

Shifting and clutching? Forget it. The 1978 Hobbit PA-50 has a Honda V-Matic™ transmission that's all automatic. Starting off's a breeze. Riding — nice and easy.

The Hobbit comes complete with the quality characteristics that Hondas are famous for:

A love of comfort — full front and rear suspension, a soft seat.

Incredible attention to detail — just look closely at its design and features: automatic lights on, standard dual mirrors and automatic choke cut-off.

A very agreeable nature — to fit varying state laws, there's a red Hobbit with a 20 mph top speed and a yellow one with 30 mph tops.

And a solid belief in security — every Hobbit carries a Honda warranty backed by nearly 1,800 Honda dealers across America.

All in all, the Hobbit's a mighty friendly helpful fellow to take on your travels. A good habit to get on to. Just start with a short trip to your Honda dealer.

Always wear a helmet and eye protection when riding; keep lights on and check local laws. Designed for operator use only. Model availability may be limited. For more brochure, write: American Honda Motor Co., Inc., Dept. CO48, Box 50, Gardenia, Ca. 90247. See Yellow Pages for nearest dealer.

*A moped's just a moped, unless it's a **Honda**.*
