Hse Manual Handling Regulations:

Introduction to Health and Safety at Work Phil Hughes, Ed Ferrett, 2009 Introduction to Health and Safety at Work has been developed for the NEBOSH National General Certificate in Occupational Safety and Health. Each element of the syllabus has a dedicated chapter and both taught units are covered in this book. A chapter on international aspects also makes this book suitable for the NEBOSH International General Certificate in Occupational Safety and Health. Previous editions of this book have been used for other NVQ level 3 and 4 courses in health and safety. Full colour pages and hundreds of illustrations bring health and safety to life. To make studying easier, each chapter starts with learning outcome summaries and ends with questions taken from recent NEBOSH examinations. Specimen answers and a study skills chapter aid exam preparation. As an introduction to all areas of occupational safety and health, the book acts as a practical reference for managers and directors with health and safety responsibilities and safety representatives. It covers the essential elements of health and safety management, the legal framework, risk assessment and control standards, and includes handy forms and checklists. New in this edition: Updated throughout in line with changes in the regulations. Learning outcomes now included at the beginning of each chapter. Companion website with downloadable health and safety forms. Endorsed by NEBOSH. Student friendly presentation in full colour, packed with illustrations and photographs. Revision questions and sample answers taken from recent NEBOSH examinations to test your knowledge. Includes a summary of the main legal requirements, ideal for both students and managers. A free companion website is also available at www.elsevierdirect.com/companions/9781856176682 and features editable health and safety forms. Selected appendices sections in electronic format. Phil Hughes MBE MSc CFIOSH is a former Chairman of NEBOSH 1995-2001, former President of IOSH 1990-1991 and runs his own consultancy. He received an MBE for services to health safety and as a director of RoSPA in the New Years Honours List 2005. Ed Ferrett PhD BSc Hons Eng CEng MIMechE MIET CMIOSH is a former Vice Chairman of NEBOSH 1999-2008 and a lecturer on NEBOSH courses at Cornwall Business School of Cornwall College. He is a Chartered Engineer and a health and safety consultant.

Manual Handling in Health and Social Care Michael Mandelstam, 2002 This text presents an accessible overview of manual handling law and the legal implications and practical issues involved. Topics covered include equipment provision and handling of children in schools and guidelines on health and safety. **Legal Aspects of Health and Safety** Bridgit Dimond, 2016-06-27 Presented in a clear and concise format that makes for easy reference and understanding, this revised and updated edition covers issues that are becoming increasingly important to health professionals, managers and educators, including proposed changes to the law since Lord Young's 2010 report. Common Sense Common Safety. Topics include cross infection and the spread of MRSA, greater regulation of health and safety standards, stress and bullying, and the laws relating to notifiable diseases such as HIV/AIDS. Illustrated with case studies throughout, this book is designed to provide a clear introduction to the laws relating to health and safety, case law and statute law, so that the health professional has a sound
