The last bookmark is for the iPhone User Guide. So why do you need this book? This book was written for my parents, people who needed to know as much as possible as quickly as possible. There are people who want to know every single little detail about the iPhone, and you will find that in Apple's comprehensive manual. If you are like my parents, though, new to the iPhone and just want to learn all the basics in about 30 to 60 minutes or an hour, that is, then this guide will help you.
