Plastic-Free Beth Terry, 2012-06-15 Like many people Beth Terry didn't think an individual could have much impact on the environment But while laid up after surgery she read an article about the staggering amount of plastic polluting the oceans and decided then and there to kick her plastic habit Now she wants to teach you how you can too In her quirky and humorous style well known to the readers of her popular blog My Plastic Free Life Terry provides personal anecdotes stats about the environmental and health problems related to plastic and personal solutions and tips on how to limit your plastic footprint Terry includes handy lists and charts for easy reference ways to get involved in larger community actions and profiles of individuals Plastic Free Heroes who have gone beyond personal solutions to create a change on a larger scale Plastic Free also includes chapters on letting go of eco guilt strategies for coping with overwhelming problems and ways to relate to other people who aren't as far along on the plastic free path Both a practical guide and the story of a personal journey from helplessness to empowerment Plastic Free is a must read for anyone concerned about the ongoing health and happiness of themselves their children and the planet

The 4% Solution The Bush Institute, 2012-07-17 Foreword by President George W Bush With contributions from world renowned economists and Nobel prizewinners *The 4% Solution* is a blueprint for restoring America's economic health The United States is reaching a pivotal point in its economic history Millions of Americans owe more on their homes than they are worth long term unemployment is alarmingly high and the Congressional Budget Office is projecting a sustainable growth rate of only 2.3% a full percentage point below the average for the past sixty years Unless a turnaround comes quickly the United States could be mired in debt for years to come and millions of Americans will be pushed to the sidelines of the economy *The 4% Solution* offers clear and unflinching ideas on how to revive America's economy It sets a positive economic goal and asks some of the top economic minds on how to achieve it With a focus on removing government constraints *The 4% Solution* defines the policies that will allow Americans to save invest and create the jobs that the United States needs *The 4% Solution* draws on the best minds in the business including five Nobel laureates Robert E Lucas Jr on the history and future of economic growth Gary S Becker on why we need immigrants in order to grow Edward Prescott on the cost to growth of the welfare state Vernon Smith on why housing leads us into and out of recessions Myron Scholes on why we need to innovate in order to grow the economy

The History of the Future Blake J. Harris, 2019-02-19 The author of *Console Wars* reveals the story behind Oculus and its quest for virtual reality Masterful filled with unforgettable characters *Forbes* From iconic books like *Neuromancer* to blockbuster films like *The Matrix* virtual reality has offered a tantalizing vision of the future But outside of a few research labs and military training facilities this technology was mere science fiction Until 2012 when Oculus founder Palmer Luckey then just a teenage dreamer living alone in a camper trailer invents a device that has the potential to change the world With the help of a videogame legend a serial entrepreneur and many other colorful characters Luckey's scrappy startup kickstarts a

revolution and sets out to bring VR to the masses What follows is the ultimate entrepreneurial journey a tale of battles won and lost lessons learned and shocking turns including an unlikely multi billion dollar acquisition by Facebook s Mark Zuckerberg Drawing on over a hundred interviews with the key players driving this revolution The History of the Future weaves together a rich cinematic narrative that captures the breakthroughs breakdowns and human drama of trying to change the world The result is a supremely entertaining look at the birth of a game changing new industry Writing to

Survive Deborah M. Alvarez,2011 This ethnographic research investigates how adolescents use writing Deborah M Alvarez uncovers the hidden abuses and violence that adolescents bore with each school day In two different research sites the author follows adolescents through their academic and personal lives to discover how they use writing only to uncover the impact the public and private violence had upon their ability to learn The author details the writing classroom practices assignments and how adolescents adapt reconstruct and appropriate the lessons of the classroom for their purpose and needs For the adolescents in the book writing was a way to address the stresses that plagued the adolescents each day especially when they had no other way to communicate or tell about their lived experiences Alvarez outlines an alternative Expressivist plan for teaching writing to adolescents This writing program builds upon the evidence from the case studies brain theory and research on traumatic stresses to offer teachers and thereby their students a more effective way to teach writing with greater impact for those who need it most **Dive Into iOS6** Paul J.
