covered Activity Encourages the students to explore some real life use of the topic being covered Summary Gives a brief summary of the topics being taught in the chapter Exercises Includes a variety of questions to evaluate the theoretical knowledge of the students Activity Zone Includes the following activities Puzzle Includes crosswords or mazes to focus on some important terms included in the chapter Lab Session Gives instructions to the students to perform various tasks in the lab Group Discussion Encourages the students to have discussions on various topics Project Work Assigns various tasks to the students to apply the concepts already learned Goyal Brothers Prakashan *The System* Lawrance Mashigo, 2011-04-05

This book reflects the real truth about South Africa today what people cant tell others and what cant be said Today SA is perceived and presented as a holy country that came from evil which is not true since most people are suffering while leadership fails them br This is a book that refers to certain events and issues and compare relate with honesty the position of the author around such events and issues It talks of how the author sees the system areas of governance and how it is done and he goes deep inside of identifying some of those who are at the top and their questionable acts Government departments fail and are protected to undermine ordinary people intelligence br br This book raises certain issues by taking your mind into an ordinary South African who lives where he is directly affected by the failures of governance because of corruption and power struggle by leadership The author goes to the level of going into how certain leaders failed the public on executing their duties br br This is not the book that will interest those who follow politics only it goes further by introducing different topics and how they are mishandled by leaders For a moment it goes into the ANC leadership and ANC as a political party to see and analyze real issues within The author presents the view of controversial Julius Malema and surprisingly presents the side that the media never presented br br The book refers to various topics like politics the media traditional communities laws and practice the gap between the rich and the poor xenophobia and many more The most amazing and interesting angle of traditional communities presented through what is happening in the Bakwena Ba Mogopa Traditional Community who are rich in natural resources br br He observed the most and critical systems that are not benefiting the people and raising them as a black man with real references since his observation registered whites critics only and differently present other issues around Land Restitution Corruption Failures and Government strategy of undermining the rural leadership communities etc br br SA has been presented as a media free society where media has freedom to report on different issues and no other platform seems to be there to criticize the media unless if the media itself open a limited debate along its criticism this book criticizes the media br br Touching on Broad Based Black Economic Empowerment BBBEE and its effect this time it brings a different angle Be presented with different laws and simple interpretations and how leadership is failing to observe them br br This is a book that everybody needs to have because it is simple and was written to present complex issues differently You will see as you go by it that ordinary South Africans are being disrespected by leaders and all is not good in SA br br The author has presented views and questions that needs to

identify real challenges that SA faces Why people are so afraid of criticizing the ANC the media government and many powerful factors that lead us This is a book that will bring a good debate to fix some of the problems in SA
