## The Vietnam War

During the 1950s and 1960s, the United States helped another war against Communist forces in Asia—the Vietnam War. Vietnam is a country in Southeast Asia. It was divided into two sections—North Vietnam and South Vietnam. North Vietnam was controlled by Communists, and South Vietnam was controlled by a government friendly to the United States. The communists in South Vietnam wanted to take over South Vietnam.

The United States decided to help South Vietnam stop the spread of Communism. This was important because many people thought that if South Vietnam became Communist, all of Southeast Asia would soon come under Communist control, too. This was known as the “Domino Theory.”

Other nations also knew that support helped one side or the other in the war.

## Old Enough to Fight, Not Enough to Vote?

Protests about the Vietnam War continued in the offices of the 50th Anniversary of the U.S. Constitution. Protesters argued that if men could be sent to fight in America at 18, they should be able to vote at 18. The amendment passed the voting age from 21 to 18.
