5. Drip tray (Part # GUP80N-01)
6. Spatula (Part # GUP80V-02)

Note: † indicates consumer replaceable/removable parts

B

How to Use

This product is for household use only.

GETTING STARTED

- Remove all packing material and, if applicable, any stickers from the product; remove and save literature.
- Please go to www.georgeforemancooking.com/appliance to register your warranty; for additional information go to www.georgeforemancooking.com.
- Wash all removable parts and/or accessories as instructed in CARE AND CLEANING.
- Wipe grill plates with a damp cloth or sponge to remove any dust. Wipe dry with a soft cloth or paper towel.
- Select a dry, level location where your grill will be used, leaving enough space between the back of grill and wall to allow heat to flow without damage to cabinets and walls.

DRIP TRAY

Place drip tray under front sloped section of grill.

PREHEATING THE GRILL

1. Close cover on grill.
2. Unwind cord and plug into an outlet.
3. Press the On/Off (O/O) switch to the ON (I) position. The preheat indicator light turns on to show the grill is heating.
4. Set the variable temperature control on the top of the grill to the desired setting to begin preheating. (See SUGGESTED GRILL SETTINGS on page 6.)
5. Allow the grill to preheat (approximately 4 minutes) before grilling. When the selected temperature is reached, the preheat indicator light will go out.

Note: The preheat indicator light will turn on and off during cooking to indicate your desired temperature is being maintained.

GRILLING

1. Using a pot holder, carefully open the preheated grill.

Note: The George Tough™ nonstick coating on the plates is designed to work without oil, butter or cooking spray. If desired, you may use oil or butter. However, aerosol cooking spray should never be used; chemicals that allow spray to come out of can build up on the surface of the plates and reduce their efficiency.

2. Carefully place foods to be cooked on lower grill plate. This grill accommodates up to 4 servings.

Note: Do not overload grill.

3. Close the cover and allow food to cook for the selected time. If desired, use a kitchen timer.

Note: Use suggested cooking times found in the GRILLING CHART on pages 6, 7 and 8.

Important: Do not leave the appliance unattended during use.

4. Light pressure can be used on the handle to press and heat food to your liking.

Important: Do not use heavy pressure on the handle of the grill at any time.

5. After selected time, the food should be done. If you would prefer longer cooking, simply follow the steps beginning at step 3.
