George Michael Biography Book:

George Michael James Gavin,2022-06-28 In George Michael A Life Gavin s engrossing biography of the singer takes the measure of a gifted tragic and infuriating man New York Times Book Review George Michael was an extravagantly gifted openhearted soul singer whose work was both pained and smolderingly erotic He was a songwriter of true craft and substance and his music swept the world starting in the mid 1980s His fabricated image that of a hypermacho sex god loomed large in the pop culture of his day It also hid for a time the secret he fought against revealing Michael was gay Soon his obsession with fame would start to backfire As one of the industry s most privileged yet tortured men began to self destruct the press showed little sympathy George Michael A Life explores the compelling story of a superstar whose struggles as well as his songs continue to touch fans all over the world Acclaimed music biographer James Gavin traces Michael s metamorphosis from the shy and awkward Georgios Kyriacos Panayiotou into the swaggering dominant half of the leading British pop duo of the 1980s Wham He then details Michael s sensational solo career and its subsequent unraveling With deep analysis of the creative process behind Michael s albums tours and music videos as well as interviews with hundreds of his friends and colleagues George Michael A Life is a probing definitive portrait of a pop legend **George**

Michael Rob Jovanovic,2015-12-03 George Michael is an enigma While he is one of the most open and vocal pop superstars on the planet he also fiercely protective of his privacy From the formation of Wham In 1981 he immediately found fame and fortune beyond his wildest dreams His music formed the soundtrack to the 1980s and he achieved all of this despite growing up in a dysfunctional family where his father openly proclaimed that George had no talent Wham split in 1986 but Michael went on to greater things as a solo artist Along the way he has been embroiled in several controversies but in refreshing contrast to other superstars he has been happy to address his issues head on in the media Rob Jovanovic s biography tackles all the issues that formed George Michael and his place as a cultural icon It also for the first time analyses Michael s musical output and groundbreaking videos **George Michael** Rob Jovanovic,2017 **Wham!, George Michael and Me** Andrew

Ridgeley,2019-10-08 For the first time Andrew Ridgeley one half of one of the most famous bands in the world tells the inside story of Wham his lifelong friendship with George Michael and the formation of a band that changed the shape of the music scene in the early eighties In 1975 Andrew took a shy new boy at school under his wing They instantly hit it off and their boyhood escapades at Bushy Meads School built a bond that was never broken The duo found themselves riding an astonishing roller coaster of success taking them all over the world They made and broke iconic records they were treated like gods but they stayed true to their friendship and ultimately to themselves It was a party that seemed as if it would never end And then it did in front of tens of thousands of tearful fans at Wembley Stadium in 1986 Andrew s memoir covers in wonderful detail those years up until that last iconic concert the scrapes the laughs the relationships the good and the bad It s a unique and one and only time to remember that era that band and those boys *Older* Nicholas Wapshott,Tim
