Good Mistress Guide:

Secrets of a Good Mistress Iva T. Louise, 2011 In *Secrets of a Good Mistress* I share my insights gained from walking the path of the other woman. It gives insights and shines a torch for the millions of women that knowingly or unknowingly have found themselves in this role to illuminate their way. It's a wake up call that asserts that being a mistress is not settling for second best as the mistress does not play second fiddle to the wife. Instead, she has her own distinct valuable role to play outside yet parallel within the dynamic of a marriage. Open to a higher love without ownership. Happiness in sharing without need of possession. The mistress's platform allows a woman to keep to her no's with respect and valuation where a wife is expected to submit and comply. The mistress role allows women to intentionally live lives of freedom, independence, and self-actualization without insecure feelings of guilt, sin, or shame. Full of wit and deeper insights of our very human nature. *Secrets of a Good Mistress* goes to the core as none before, asserting the essential truth that indeed One Woman is Not Enough. Though this path is not for all. Get this book. Learn more. Live more. Love more. Visit MistressJoys.com for more about the Mistress Network. [The Mistress Manual](#) Mistress Lorelei, Mistress Lorelei Powers, 2000. Originally published in 1994 in a simple pink guidebook format by an experienced and wickedly creative dominant woman. *The Mistress Manual* fell out of print when the author moved on to other projects. Now Greenery Press has brought this underground classic back to life, updated with new ideas and information on Learning to Love, Command to The Art of Discipline. Learn how to enact the Five Archetypal Fantasies, how to create your own scenarios, and much much more. **The Complete Mistress Manual** Mistress Dede, 2015-10-07. Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women. This manual will give you an inside look on what being a Mistress is really all about, and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long.
