Sonia Sonia O'Sullivan,2008-10-02 Sonia O'Sullivan is one of the greatest sporting figures Ireland has ever produced In a career which saw her competing at the highest international levels for over a decade she turned in world class times in events ranging from the 1 500 metres to the marathon capped by World Championship gold in the 5 000 metres in 1995 and Olympic silver in the same event in 2000 But her performances on the track are only part of the story of this passionate sometimes fragile and always compelling athlete Now Sonia tells the full story of her life for the first time from her childhood in Cobh Co Cork through her early successes on the track to the highs of 1995 and 2000 and the low of the 1996 Olympics Whether in triumph or in tears Sonia has always been a uniquely fascinating and mysterious figure This frank autobiography takes us behind the scenes of international athletics and behind the mask of a brilliant vulnerable sportswoman As a story of dedication and perseverance finally rewarded it's inspirational Sunday Business Post A cocktail of thrills spills heartache near things personal tumult and devastation This is a book written from the heart Irish Catholic The candid nature of the book alone makes it a must read for any Irish sports buff Belfast News Letter [Paws Noses and People](#) Dick Lane,2015-09-28 In the past 30 years the use of assistance dogs for people with various difficulties and disabilities other than blindness and hearing loss has developed enormously thanks to the inspiration foresight and hard work of a few key people Dick Lane now retired as a vet has been closely involved in the charity Dogs for the Disabled since its foundation in the 1980s In this fascinating and authoritative work based on his own experience on interviews with users of assistance dogs and from official records he tells the story of the growing appreciation of the value of dogs to many people from those with an autistic spectrum disorder under the recent PAWS initiative to tetraplegics **Field and Service Robotics** Alexander Zelinsky,2012-12-06 Joe Engelberger the pioneer of the robotics industry wrote in his 1989 book *Robotics in Service* that the inspiration to write his book came as a reaction to an industry sponsored forecast study of robot applications which predicted that in 1995 applications of robotics outside factories the traditional domain of industrial robots would amount to less than 1% of total sales Engelberger believed that this forecast was very wrong and instead predicted that the non industrial class of robot applications would become the largest class Engelbergers prediction has yet to come to pass However he did correctly foresee the growth in non traditional applications of robots Robots are now beginning to march from the factories and into field and service applications This book presents a selection of papers from the first major

international conference dedicated to field and service applications of robotics This selection includes papers from the leading research laboratories in the world together with papers from companies that are building and selling new and innovative robotic technology It describes interesting aspects of robots in the field ranging from mining agriculture construction cargo handling subsea operations removal of landmines to terrestrial exploration It also covers a diverse range of service applications such as cleaning propagating plants and aiding the elderly and handicapped and gives considerable attention to the technology required to realise robust reliable and safe robots *Irish Publishing Record* ,1988 *Ireland* ,1996 **Irish Law Times** ,1998 **Medical and Health Information Directory, Vol. 1** Gale,Gale Group,2004-09

C'mere and I Tell Ya Johnny McMahon,Johnny O'Brien,2020-10-29 The 2 Johnnies massive success has taken them as far afield as Sydney Compton and Abu Dhabi But for them nothing compares to living in Ireland And in C Mere and I Tell Ya they dig into the tastes habits and rites of passage that have made them who they are Whether it s dressing for the debs I d say my cravat was the talk of Templemore for weeks succeeding in a band I did backing vocals for six months and it turned out I was singing the wrong lyrics doing a Strictly fundraiser for your GAA club Remember you re not Julia Roberts and the local butcher isn t Richard Gere so keep it in the pants recognizing the no go moves at a stag Nobody wants to see a sixteen stone man in a pink thong Nobody Johnny B and Johnny Smacks capture it perfectly And they have down to earth advice for every conceivable situation and a few inconceivable ones C Mere and I Tell Ya is a one stop celebration of Irishness chicken goujons and being sound It s funny but there is always truth in the humour A hell of a Christmas present Oliver Callan RT
