

Creative Writing: Creative writing assignments are given periodically, providing an enjoyable time for the child to expand his writing skills.

The Language Arts 4 Curriculum/Lesson Plans also includes instructions for writing an encyclopedia report on George Washington Carver. The child will learn how to use an encyclopedia, how to take notes, and then how to write a complete report using the information he gathered.

Seven book reports are assigned during the year. The child will learn to write both short and long reports and later in the year give two oral book reports.

Quizzing and Testing
