Blackness Visible Charles W. Mills,2015-11-20 Charles Mills makes visible in the world of mainstream philosophy some of the crucial issues of the black experience Ralph Ellison s metaphor of black invisibility has special relevance to philosophy whose demographic and conceptual whiteness has long been a source of wonder and complaint to racial minorities Mills points out the absence of any philosophical narrative theorizing and detailing race s centrality to the recent history of the West such as feminists have articulated for gender domination European expansionism in its various forms Mills contends generates a social ontology of race that warrants philosophical attention Through expropriation settlement slavery and colonialism race comes into existence as simultaneously real and unreal ontological without being biological metaphysical without being physical existential without being essential shaping one s being without being in one s shape His essays

explore the contrasting sums of a white and black modernity examine standpoint epistemology and the metaphysics of racial identity look at black Jewish relations and racial conspiracy theories map the workings of a white supremacist polity and the contours of a racist moral consciousness and analyze the presuppositions of Frederick Douglass's famous July 4 prognosis for black political inclusion Collectively they demonstrate what exciting new philosophical terrain can be opened up once the color line in western philosophy is made visible and addressed

Autonomy and Community Jane Kneller, Sidney Axinn, 1998-04-23 In *Autonomy and Community* contemporary Kant scholars apply Kant's moral and political views to current social issues examining contemporary topics through the lenses of various recent Kantian approaches to issues in ethical political and social philosophy The articles written with a minimum of technical language engage current social problems directly demonstrating the possibility of diverse applications of Kant's views The authors reaching well beyond the realm of academic philosophy apply Kant's moral and political views to contemporary social concerns both general and specific Under the first heading are chapters presenting readings of Kant's social theory and theory of human history the relationship of moral practice to the social contract Kant's theory of civic duty and the relevance of Kantian philosophy to contemporary feminist theory In Part II more specific issues of contemporary interest are explored war international relations race and ethnicity questions abortion capital punishment environmental ethics labor relations and the nature of the institution of marriage Taken as a whole *Autonomy and Community* shows that Kantianism offers a social vision that goes far beyond Kant's well known abstract theory Contributors to the book include Sharon Anderson Gold Thomas Auxter Susan Feldman Gerald F Gaus Charles W Mills Nelson Potter Philip Rossi Robin May Schott Harry van der Linden Hollyn L Wilson Robert Paul Wolff and Allen W Wood
