Emergency Department Compliance Manual Rusty McNew, 2017-06-14 *Emergency Department Compliance Manual 2017 Edition* provides everything you need to stay in compliance with complex emergency department regulations. The list of questions helps you quickly locate specific guidance on difficult legal areas such as Complying with COBRA, Dealing with psychiatric patients, Negotiating consent requirements, Obtaining reimbursement for ED services, Avoiding employment law problems. *Emergency Department Compliance Manual* also features first hand advice from staff members at hospitals that have recently navigated a Joint Commission survey and includes frank and detailed information. Organized by topic, it allows you to readily compare the experiences of different hospitals. Because of the Joint Commission's hospital wide function based approach to evaluating compliance, it's been difficult to know specifically what's expected of you in the ED. *Emergency Department Compliance Manual* includes a concise grid outlining the most recent Joint Commission standards which will help you learn what responsibilities you have for demonstrating compliance. Plus *Emergency Department Compliance Manual* includes sample documentation that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards, Age related competencies, Patient assessment policies and procedures, Consent forms, Advance directives, Policies and protocols, Roles and responsibilities of ED staff, Quality improvement tools, Conscious sedation policies and procedures, Triage referral and discharge policies and procedures, And much more. **HIPAA 2 Business Associates and Covered Entities Manual** Daniel Farb, 2004-06-01 *HIPAA 2* covers the rules of covered entities and business associates through the story of Dior Armani Medical Center in Beverly Hills. Nurse Hitchcock has decided to implement HIPAA in her hospital ahead of schedule and is throwing everyone into confusion. That includes a pharmaceutical company that is seeking clinical trial patients for its antidepressant drug by getting movie starlets as subjects. The confusion of what constitutes a business associate is gradually cleared up as a movie star comes into the emergency room for treatment. *Emergency Department Compliance Manual, 2018 Edition* McNew, 2018-04-20 *Emergency Department Compliance Manual* provides everything you need to stay in compliance with complex emergency department regulations including such topics as legal compliance questions and answers, find the legal answers you need in seconds, Joint Commission survey questions and answers, get inside guidance from colleagues who have been there, hospital accreditation standard analysis, learn about the latest Joint Commission standards as they apply to the emergency department and reference materials for emergency department compliance. The Manual offers practical tools that will help you and your department comply with emergency department related laws, regulations and accreditation standards. Because of the Joint Commission's hospital wide function based approach to evaluating compliance, it's difficult to know specifically what's expected of you in the ED. *Emergency Department Compliance Manual* includes a concise grid outlining the most recent Joint Commission standards which will help you learn, understand your compliance responsibilities.
