How to Be Good at Being a Husband V.L. Wright, 2016-04-28 This book was written to help men It was not written to tell them what is wrong with them or what they have done wrong nor was it written to make them feel guilty stupid or incompetent It was written to help them understand from a woman's point of view how they might be better at being husbands if that is what they wish to do and be This book contains honest considerate everyday useful suggestions to help men find and give joy in their marriages

HOW TO BE AN EVEN GREATER HUSBAND Tobias Jungreis, 2004-12-08 Why would a young man entering marriage set as his lifetime goal his highest priority his ultimate dream to be the best husband ever Again what would drive a man to get that special trophy given to a great husband Furthermore who will applaud him for it For sure they don't make too many trophies because of the lack of demand The truth of the matter is that it doesn't make a difference If a man can work hard at being an expert husband he will reap very generous rewards A woman who receives the caring and devotion and attention and unconditional love and time and support and entertainment and loyalty of her husband when will reward her hard working husband for his efforts every minute of his life A loved woman even more than a loved pup or a pet rock will return her received love to her mate in geometric proportions Ironically a woman despite her inherent strength and while being created so perfectly thank God still has an odd weakness the need to be admired and adored by a man And when she gets that admiration and adoration she will make her mate a lifetime lottery winner
