**The Answer** Paul Howard Johnson,2013-04 Three research scientists and a Forest Ranger have committed their time and energy to spend the summer in eastern Washington State in the great northwest searching to prove or disprove the myth surrounding Bigfoot None of them believe that it will lead to more than a few scant clues and only meager evidence that will merely carry on the folklore That is until they stumble upon hard evidence of the creature through a series of events that will not be easy for them or you to accept as factual Not only is the myth of Bigfoot tackled head on but answers to such questions as UFO Unidentified Flying Objects crop circles cattle and horse mutilations and the question of are we alone in the universe are examined and illuminated A strange rescue mission is asked of the team but all along they must contend with the harassment of disgraceful journalists whose mission is not necessarily the truth The team must deal with world governments and the U S military who are in the middle of things for their own purposes causing the situation to become even more convoluted Scavenger star races are set to invade but no one believes the team and they have nowhere to turn for help until a special friend lends some assistance in hopes of saving the people of the entire planet The Answer is excitement humor love and startling revelations that will keep you interested to see what happens next You will have to decide for yourself if this is a work of science fiction or a factual account of an elaborate cover up

**A Case to Answer** Margaret Yorke,2007-04-01 A novel of subtle suspense and creeping tension A Case to Answer is effortlessly crafted crime fiction in which human weakness and vulnerability lead to secrets lies and tragedy The day Jerry Hunt meets Charlotte Frost is the day he decides to abandon his rebellious criminal ways Despite the fact that Jerry s been to prison and has vowed never to return he continues to run a successful scam with his friend Pete in which Jerry sweet talks a homeowner at the front door while Pete breaks in at the back But the day Jerry enters Charlotte s house he sees something in her smile that makes him determined to stay clean In many ways Charlotte too would like to leave her past behind and start over Widowed after two years of marriage to Rupert she is faced with the distrust and suspicions of her departed husband s family But when Rupert s troubled granddaughter Imogen needs a place to stay Charlotte agrees to take her in Jerry soon befriends Imogen and with her help he persuades Charlotte to let him renovate her garden As their lives become more and more entangled lies and deceptions from both their pasts begin to surface and on a night none of them will ever forget Charlotte disappears Although a very light mystery the book is well weighted with superb plotting and in depth personalities This is a work of impressive quality in the genteel English tradition Publishers Weekly
