**Return to God** Danson Enogiomwan Ubebe, 2013-03-01. Return to God is a rare resource for uncommon Bible knowledge. It is one book which clearly identifies the Gospel of Grace as different from the tradition under the Mosaic Covenant and yet strings them together without mixing them up. The book covers several areas of the Holy Bible that a great number of people shy away from. It is written to give glory to God, not to man. In explaining the hidden biblical truth, the book debunks several commonly held views about tithing, fasting, seed sowing, who of the spirit, soul, and body is the real man, and more. It further clarifies what Jesus Christ meant by believe and who can be described as really born again. The book shows that man without Jesus Christ and this world are themselves darkness and that re-incarnation is a reality and not an eastern religion gimmick. The coverage by the book is huge and deep. In the end, a brief account of the evolution of Christianity is added. The book also shows that there is a connection between Jesus Christ and the Tree of Life. Return to God, which unearths several hidden meanings of the Holy Bible, teaching will appeal to those who are interested in religion and are seekers of God and the truth of the gospel of grace.

**Youth Leadership Training (Color)** Brian Montague, 2015-08-24. Great leadership is the key to any ministry, including youth ministry. This book is designed to equip Youth Leaders along with their leadership teams with the basics on how to lead like Jesus and help develop people who love Jesus with their entire lives. In this book, you will focus on four areas of ministry every Youth Leader should be trained and equipped in: Jesus, Theology, Youth Ministry, and Camp Ministry. If we want to see our youth flourish in their faith and begin to live out the fullness of life, Jesus invites his followers into it; we must start with our leaders.

**Living for Jesus** Larene Sanford, 2017-08-31. Have you crossed over from tragedy to restoration? Are you believing and hoping for restoration in your life, your soul, or your marriage? Do you wonder what life will hold now that everything has changed? How can we say we are restored when nothing in life looks the same as it once was? I will take you on a journey in which I travelled where God showed me that we can be whole while broken. We live in a broken world and broken society, and many of us are in broken homes, marriages, and even bodies. But this doesn't mean we cannot live a life of faith and restoration as God has purposed for each of us. I personally lived each chapter as it unfolds as it was in *Railroad Crossings to Restoration*. A Child's Cry for Help and I talk about how God chose to reveal it to me. Not realizing just how deep and how vast the truths would become a reality, I accepted the call to step out into oceans unknown. God's plot, God's plan, and God's incredible story unfolding right before me like the waves of the sea. Wave by wave, deeper and deeper until all I have is entrusted to Him, and I truly believe. Take this journey with me and allow the peace of God to rest in your soul.

**Mentioning the Unmentionables** Chris Heaton, 2023-12-06 We have a pornography crisis in the church This book however does not take a deep dive on the statistics or how our brains are being rewired by the internet This is not a book about the pornography business This is a book about root causes root teachings and then root solutions Mentioning the Unmentionables seeks to answer the question How did we get here It calls attention to the dire problem of pornography but then offers a faithful response in the context of the church to mention the unmentionables
