

## Calendar of Major Jewish Religious Observances

All observances begin at sundown on the first day and end at sundown on the last day.

This calendar will help administrators and teachers avoid scheduling events, programs, and examinations at times that conflict with Jewish religious observances. The Jewish calendar is a lunar/solar calendar so the dates of religious observance will vary from year to year. There is wide diversity of religious practices in the Jewish community. Some students and staff members will be absent for religious purposes more than others. For more information contact Jessica Blitchok at [jessicab@jvalley.org](mailto:jessicab@jvalley.org).
