Contest(ed) Writing Mary Lamb, 2013-01-14 This collection is about writing contests a vibrant rhetorical practice traceable to rhetorical performances in ancient Greece In their discussion of contests cultural work the scholars who have contributed to this collection uncover important questions about our practices For example educational contests as epideictic rhetoric do indeed celebrate writing but does this celebration merely relieve educators of the responsibility of finding ways for all writers to succeed Contests designed to reward single winners and singly authored works admirably celebrate hard work but do they over emphasize exceptional individual achievement over shared goals and communal reward for success Taking a cultural rhetorical approach to contests each chapter demonstrates the cultural work the contests accomplish The essays in Part I examine contests and riddles in classical Greek and Roman periods educational contests in eighteenth century Scotland and the Lyceum movement in the Antebellum American South The next set of essays discusses how contests leverage competition and reward in educational settings medieval universities American turn of the century women s colleges twenty first century scholarship essay contests and writing contests for speakers of other languages at the University of Portsmouth The last set of essays examines popular contests including poetry contests in Youth Spoken Word popular American contests designed by marketers and twenty first century podcasting competitions This collection then takes up contests as a cultural marker of our values assumptions and relationships to writing contests and competition

John William Ward,1982
The Madhouse Effect Michael E. Mann,Tom Toles,2016-09-27 The award winning climate scientist Michael E Mann and

the Pulitzer Prize winning political cartoonist Tom Toles have been on the front lines of the fight against climate denialism for most of their careers They have witnessed the manipulation of the media by business and political interests and the unconscionable play to partisanship on issues that affect the well being of billions The lessons they have learned have been invaluable inspiring this brilliant colorful escape hatch from the madhouse of the climate wars The Madhouse Effect portrays the intellectual pretzels into which denialists must twist logic to explain away the clear evidence that human activity has changed Earth s climate Toles s cartoons collapse counter scientific strategies into their biased components helping readers see how to best strike at these fallacies Mann s expert skills at science communication aim to restore sanity to a debate that continues to rage against widely acknowledged scientific consensus The synergy of these two climate science crusaders enlivens the gloom and doom of so many climate themed books and may even convert die hard doubters to the side of sound science Shortest Way Home: One Mayor's Challenge and a Model for America's Future Pete Buttigieg,2019-02-12

Featuring a new introduction and a Back Home afterword Shortest Way Home is Pete Buttigieg s inspirational story that challenges our perception of the typical American politician The meteoric rise of the mayor of a small Midwest city who defied every pundit s odds with his electrifying run for the presidency created one of the most surprising candidacies in recent American history The fact that his New York Times best selling memoir Shortest Way Home didn t read like your typical campaign book only added to Mayor Pete s transcendent appeal Readers everywhere old and young came to appreciate the stirring honest and often beautiful Jill Lepore New Yorker personal stories and gripping mayoral tales which provided in lyrical prose the political and philosophical foundations of his historic campaign Now featuring a new introduction and a Back Home afterword in which Buttigieg movingly returns with the reader to his roots in his hometown city of South Bend Indiana as well as a transcript of the eulogy for his father Joseph Buttigieg Shortest Way Home already considered a classic of the political memoir form provides us with a beacon of hope at a time of social despair and political crisis Fiske College Deadline Planner, 2004-2005 Edward B. Fiske,Bruce G. Hammond,2003 Major scholarship deadlines

financial aid deadlines housing deadlines ROTC and service Academy deadlines SAT and ACT deadlines completely hands on and chronologically arranged over the course of 16 months the Fiske College Deadline Planner has the information every student needs **PRIVATE LIVES/PUBLIC CONSEQUENCES** William Henry Chafe,William H. Chafe,2005 A political leader s decisions can determine the fate of a nation but what determines how and why that leader makes certain choices William H Chafe a distinguished historian of twentieth century America examines eight of the most significant political leaders of the modern era in order to explore the relationship between their personal patterns of behavior and their political decision making process The result is a fascinating look at how personal lives and political fortunes have intersected to shape America over the past fifty years One might expect our leaders to be healthy wealthy genteel and happy In fact most of these individuals from Franklin Delano Roosevelt to Martin Luther King Jr from John F Kennedy to Bill Clinton came from

dysfunctional families including three children of alcoholics half grew up in poor or only marginally secure homes most experienced discord in their marriages and at least two displayed signs of mental instability What links this extraordinarily diverse group is an intense ambition to succeed and the drive to overcome adversity Indeed adversity offered a vehicle to develop the personal attributes that would define their careers and shape the way they exercised power Chafe probes the influences that forged these men s lives and profiles the distinctive personalities that molded their exercise of power in times of danger and strife The history of the United States from the Depression into the new century cannot be understood without exploring the dynamic and critical relationship between personal history and political leadership that these eight life stories so poignantly reveal Fiske What to Do When for College Edward B. Fiske, Bruce G. Hammond, 2005 Presents a guide to applying for college admissions for students and parents providing a chronology of important dates including deadlines for early and regular admissions major scholarships financial aid housing SAT ACT and more **Profiles in Courage** John F. Kennedy, 1999-10-01 JFK s Pulitzer Prize winning classic of men of political courage was hailed by the New York Times as refreshing and enlightening La terra brucia Michael E. Mann, Tom Toles, 2017-06-26T00:00:00+02:00 Il pluripremiato scienziato del clima Michael E Mann e il vignettista politico vincitore del premio Pulitzer Tom Toles sono stati in prima linea nella lotta contro il negazionismo climatico per la maggior parte delle loro carriere Hanno assistito alla manipolazione dei mezzi di comunicazione per interessi economici e politici e al gioco spregiudicato e fazioso su questioni che riguardano il benessere di miliardi di persone Le lezioni che hanno imparato hanno ispirato questa brillante via di fuga dal manicomio delle guerre sul clima La Terra brucia ritrae i contorsionismi mentali cui devono ricorrere i negazionisti per distorcere ogni logica e per nascondere le prove di quanto l attività umana abbia cambiato il clima della Terra Le sicure competenze di Mann nella comunicazione scientifica si propongono di riportare equilibrio nel dibattito sempre acceso contro un consenso scientifico ampiamente riconosciuto Le vignette di Toles smascherano con ironia le strategie antiscientifiche La sinergia di questi due crociati della scienza del clima si propone di convertire alla vera scienza anche i dubbiosi pi irriducibili
