

The background of the entire image is a painting of a young girl's face. She has light skin and blue eyes. On her forehead, there is a large, detailed eye with a red iris and a black pupil. The painting style is soft and painterly, with visible brushstrokes. The colors are muted and earthy, with a focus on the girl's face and the eye on her forehead. The overall mood is mysterious and artistic.

Secret Sexualities is expansive in its historical range vast sources and scholarly research It contains rare unpublished primary material extensive critical and contextual material by the editor and refuses to discriminate between issues of sex sexuality and gender The coverage includes extracts dealing with anatomy and medicine the cultural construction of eunuchs and hermaphrodites famous trials for sodomy and the forgotten victims of the law representations of effeminate men fops and sodomites Sapphic texts which portray cross dressing mannish women and female husbands *Liberty's Triumph* Robert Wharton Landis, 1851 **The Angel's Riddle** James V. Head, 2017-09-29 First century Christians endured severe persecution including death from both the Jews and Romans The Revelation of Jesus Christ was recorded by the Apostle John primarily to give those beleaguered souls strength and hope as their world became increasingly intolerable They needed to know that God had not forgotten them The Angels Riddle is the result of an exhaustive critical analysis of the symbolism and imagery Jesus used to convey His message of hope A progressive process was used to analyze and decode each part of the message into a clear and concise format This is a deep study meant to be used with your Bible and suitable materials to record any crib notes you may desire to make along the way Commentary is provided as you progress through the book Details symbols and difficult language are broken down into manageable groups through analysis and comparison to multiple Bible passages backed up by only the Word of God The Angels Riddle is a critical analysis and study of the most difficult book in the Bible Don't hurry your patience will be rewarded I will attest that though many have tried few could have succeeded as Jim has in peeling back Revelations many layers Jim has summarized centuries of biblical scholarship and pulled together a deep and impressive bibliography In the process he became a Revelation scholar himself Larry Prescott PhD *La Peste. unfinished novel *Amerika* In his reading of *The Trial* Suchoff highlights the black humor Kafka learned from the Yiddish theater and he interprets *The Castle* in light of Kafka's involvement with the renewal of the Hebrew language Finally he uncovers the Yiddish and Hebrew meanings behind Kafka's *Josephine the Singer or the Mouse Folk* and considers the recent legal case in Tel Aviv over the possession of Kafka's missing manuscripts as a parable of the transnational meanings of his writing
