Life Together In Christ Experiencing Transformation In Community:

Life Together in Christ Ruth Haley Barton, 2014-10-30 We've all been let down by so-called community. Why is it so hard for us to connect and grow together for the long haul? Veteran spiritual director Ruth Haley Barton helps us get personal and practical about experiencing transformation together. This interactive guide allows us to grow through and by the experience of transforming community.

Community Relational Soul Care Dr. Julie A. Larsen, 2023-03-27 This transformational model, Matt 22:37-39, is focused on Community Relational Soul Care that has been lived out through generations of relational soul caregivers since 1910. This book will bring spiritual vitality full circle for today to heal hurting people. Scripture reveals Jesus Christ is the Helper, Advocate, and Counselor to help His children gain wisdom for spiritual vitality. Dr. Larsen observed hurting people did not get fully healed after counseling. They fell back into old ways of living because they did not know their identity had a relationship with Jesus Christ, experienced God, and were nurtured by His people. Relational soul caregivers mentor careseekers in and out of community, Matt 18:20, to restore God's children in spiritual wisdom for the fulfillment of His plan. Relational soul caregivers are mentors who study God's Word and have a relationship with Him. Some mentors have professional degrees, but they all share a collective focus on Jesus Christ, love one another, and help nurture others to spiritual vitality. Using this biblical model with acrostics RELATE (relational soul caregivers that nurture others spiritually, mentally, and emotionally) and RESTORE (restoring God's children through the basic study of His Word in the Epistles 1-2-3), John reveals examples of God's people helping each other to spiritual vitality. Healing emerges in relationships with God, others, and God-centered self in Community Relational Soul Care.

Shaping the Journey Daniel Ethan Harris, 2025-08-21 How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement? *Shaping the Journey* brings John Wesley and Thomas Merton into critical dialogue, examining their distinct yet complementary contributions to Christian spirituality. With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis, this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions. Central to this synthesis is the work of M. Robert Mulholland Jr., whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent. Engaging history, theology, and spirituality, this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation.
