Bastable, Deborah Sopczyk, Pamela Gramet, Karen Jacobs, 2019-02-27 Written for health professionals the Second Edition of *Health Professional as Educator Principles of Teaching and Learning* focuses on the daily education of patients clients fellow colleagues and students in both clinical and classroom settings Written by renowned educators and authors from a wide range of health backgrounds this comprehensive text not only covers teaching and learning techniques but reinforces concepts with strategies learning styles and teaching plans The Second Edition focuses on a range of audiences making it an excellent resource for those in all healthcare professions regardless of level of educational program Comprehensive in its scope and depth of information students will learn to effectively educate patients students and colleagues throughout the course of their careers *Handbook of Social Work with Groups* Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-05-16 This definitive text now revised and expanded has introduced thousands of students and practitioners to the theory and practice of social work with groups Leading authorities outline major models of group work and address critical issues in planning implementing and evaluating interventions The Handbook describes applications in all the major practice settings mental health prevention child welfare substance abuse health care aging corrections and

more as well as organizational and community settings A strong focus on empowerment social justice and diversity is woven throughout The empirical foundations of group work are reviewed and innovative research methods discussed New to This Edition Incorporates over a decade of advances in the field Heightened focus on practitioner researcher collaboration Two chapters on substance abuse prevention with youth Chapters on social justice work evidence based practice offender reentry intimate partner violence intergroup dialogue working with immigrants and refugees qualitative methods and intervention research Major updates on existing topics such as cognitive behavioral group work psychoeducational groups health care settings and technology mediated groups Integrative epilogue that synthesizes key themes Cross Cultural Awareness and Social Justice in Counseling Cyrus Marcellus Ellis,Jon Carlson,2013-03-07 Many societal and cultural changes have taken place over the past several decades almost all of which have had a significant effect on the mental health professions Clinicians find themselves encountering clients from highly diverse backgrounds more and more often increasing the need for a knowledge of cross cultural competencies Ellis and Carlson have brought together some of the leaders in the field of multicultural counseling to create a text for mental health professionals that not only addresses diversity but also emphasizes the counselor s role as an advocate of social justice The theoretical foundation for this book rests on research into diversity spirituality religion and color specific issues Each chapter addresses the unique needs and relevant issues in working with a specific population such as women men African Americans Asian Americans Spanish speaking clients North America s indigenous people members of the LGBT community new citizens and the poor underserved and underrepresented Issues that enter into the counselor patient relationship are discussed in detail for all of these groups with the hope that this will lead to a greater understanding and sensitivity on the part of the counselor for their patients This is an important and timely book for both counselors in training and those already established as professionals in today s highly diverse and constantly changing society **Bullying** Paul Nail,Joan Simon,2017-10-02 There was a time when bullying was regarded as a relatively innocuous issue a normal part of growing up but this is no longer the case The magnitude of the problems that bullying can lead to is evidenced by the rising amount of professional literature on bullying as well as recent cases of bully linked suicide and homicide in the popular media Bullying always involves at least one bully and one victim but there are a variety of social roles that can affect the duration and magnitude of bullying These roles include bully assistants or supporters victim defenders and passive bystanders Fundamental to creating successful intervention programs to prevent or reduce bullying is basic research that identifies the characteristics of those involved in bullying situations e g personality motivational intellectual physical social and behavioural This volume presents a broad range of original research describing how social influences are related to bullying Reflecting the fact that bullying is a world wide phenomenon and problem the research comes from samples of individuals from Australia Finland Italy New England and Poland as well as a review of the cyber bullying literature which is international in scope This book was originally published as a special issue of Social Influence

The Forgotten Jesuit of Catholic Modernism Anthony M. Maher, 2017-12-01 This book illustrates how George Tyrrell's theological challenge to those who would take the church out of history was never effectively refuted either at the time or since and that the issues Tyrrell raised are still relevant and alive in the church today In highlighting Tyrrell's liberation of theology from dogmatism the current work describes why he was vilified by the Roman hierarchy expelled from the Jesuits and eventually excommunicated Tyrrell's Ignatian inspired hope filled theology should not be forgotten not least because it sheds further light on another courageous and prophetic Jesuit Pope Francis In revisiting Tyrrell's Ignatian theology this book celebrates the promise that Vatican II presents to the future church namely a universal call to holiness as embraced by Pope Francis
