madness **Take Two** Shira Anthony, 2016-09-09 One of my favorite reads of the summer Two Chicks Obsessed Lights camera action When Professor Wesley Coolidge accepts a summer job as a historical consultant to a pirate movie being filmed in North Carolina the last person he expects to bump into is his soon to be ex movie star Sander Carson Just like the flamboyant pirate he s playing Sander aka Sam Carr is used to getting what he wants and he makes it clear he wants Wesley back in his life Sam lost Wesley when he left their life in New York City behind for a career in Hollywood But Wesley has finally managed to put the pieces of his heart back together and he isn t interested in Sam and Wesley The Sequel Convincing Wesley to give their relationship a second chance will take much more than Sam s apologies and reminders of good times past If Sam wants Wesley back he ll have to show Wesley that they really can sail into the sunset together a real life happily ever after that won t end once the final credits roll **Spaghetti Western** EM Lynley, 2014-09-17 A Novel in the Delectable Series Cordon Bleu trained chef Riley Emerson arrives in Aspen Colorado for a summer at the best restaurant in town only to discover his jerk of a boyfriend has dumped him leaving his heart and his plans in tatters Doubting himself and longing for a change of pace he takes a low paying position at the Rocking Z guest ranch though he expects nature up close and personal won t hold a candle to his exciting Paris lifestyle When born and bred cattle rancher Colby Zane spots a newcomer being pawed at by a passel of horny cowboys at Aspen s Club Rawhide he rushes in throws the guy over his shoulder and rescues him Sober Riley Emerson is sweet and sexy but not interested in more than a one night stand Still Colby s over the moon when Riley later arrives as the new cook on his family s ranch But all s not well at the Rocking Z Unsurmountable financial problems force them to seek a cash infusion from outside investor Fitz Wellington Fitz is hot for Colby and he won t sign on the dotted line without some very personal incentives The future of the ranch is at stake and Colby s just that desperate but saving the Z might mean losing Riley *An Intoxicating Crush* EM Lynley, 2013-07-10 A Delectable Novel Simon Ford s success is hard won He grew up in Napa and resents the rich people who have moved into the valley changing the culture by opening boutique wineries and pricing the locals out of the market Austin Kelvin runs an award winning winery his father started after making a fortune on Wall Street He lives the posh lifestyle Simon resents but secretly longs to attain However Austin s world isn t as luxurious and privileged as it seems he didn t inherit his father s business savvy and his winery is going under When Simon s boss sends him to covertly scope out Kelvin Cellars for a possible takeover bid Simon sees it as a step toward attaining his financial dreams Until he falls hard for Austin The feeling is mutual but when Austin learns the real reason for Simon s initial interest he suspects Simon s seduction is merely a means to procure the winery at a bargain price If there s any hope of winning Austin s heart Simon will have to risk it all to prove Austin is more than just an intoxicating crush Like all Delectable stories *An Intoxicating Crush* includes recipes used in the book **Sex, Lies & Wedding Bells** EM Lynley, 2015-03-23 Of all the tiny towns in all the world he walks into mine Texas native Kieran Quinn has hit the big time working in Manhattan as a columnist for Gloss a national literary magazine He s well

known for his snarky sardonic columns but deep down he's more interested in exploring what makes people tick than his editor would like. He keeps his desire to find his own Mr Right hidden under a sexy carefree persona that favors champagne and underwear models of the male variety. Jaxon Lang loves being the high school principal in tiny Buckwheat Springs Texas after relocating from Austin to pursue his relationship with Danetta Archer despite her reputation for leaving grooms at the altar. So far he's avoided examining the questions he has about himself certain that marriage will put them to rest. Then Kieran arrives in town. Kieran's charm and unique attitudes about sex and attraction soon challenge Jaxon's concept of what and who he wants. While covering the latest wedding of a real life runaway bride Kieran falls hard for the gorgeous and supposedly straight groom Jaxon Lang despite that ridiculous X. Then Kieran discovers the bride's hiding a shocking secret.

Murder at the Green Mill: Book one of the Sandie Shaw Mysteries R T Green, 2023-05-23 When Sandie witnesses her client committing a cut and dried murder her head tells her to walk away. Her heart tells her she can't. Keeping away from the mob is Sandie's first rule of survival until the day someone comes to call and changes everything. It is 1920's Chicago. What came to be known as the roaring twenties. For private investigator Sandie Shaw roaring was hardly the flattering kind of way she would ever describe it. Born and raised in the city she despises everything it has become. In her view Chicago typifies the false decadence gripping America. Still recovering from the lawlessness of the Wild West her city and the rest of the country then entered the world war for a brief time and when that was over the whole nation seemed to lose all sense of reason. People went crazy. Prohibition raised its ugly head and the mobsters and the flappers took over Chicago. Her beloved city had fallen at the mercy of those who believed they were above the law once again. Now fifty three for a long time Sandie has had to be strong willed to stay in one piece. Being gutsy and taking no nonsense helps to maintain a sense of right and wrong and to retain her very individual identity. Taking over the one man agency when her father died and making it a one woman business she knew from the off that in a male dominated environment she would have to be tough and witty to succeed. And that keeping well away from anyone with a machine gun was a big part of staying alive. For eight years she has avoided anything mob related. Then one day someone comes to call and without Sandie even realizing what she's getting into suddenly she's up to her chin in murky waters. And that changes everything. *Murder at the Green Mill* is the inaugural book of the Sandie Shaw historical murder mystery series. All the RTG brand features readers have come to love are here: high drama, heartfelt emotion, fast paced action, witty humour and of course heaped spoonfuls of the unexpected.
