Starks,2011-09-13 This exhaustive analysis of Historically Black Colleges and Universities HBCUs throughout history discusses the institutions and the major events individuals and organizations that have contributed to their existence The oldest HBCU Cheyney University of Pennsylvania was founded in 1837 by Quaker philanthropist Richard Humphreys as the Institute for Colored Youth By 1902 at least 85 such schools had been established and in subsequent years the total grew to 105 Today approximately 16 percent of America s black college students are enrolled in HBCUs Historically Black Colleges and Universities An Encyclopedia brings the stories of these schools together in a comprehensive volume that explores the origin and history of each Historically Black College and University in the United States Major founders and contributors to HBCUs including whites free blacks churches and states are discussed and distinguished alumni are profiled Specific examples of the impact of HBCUs and their alumni on American culture and the social and political history of the United States are also examined In addition to looking at the HBCUs themselves the book analyzes historical events and legislation of the past 174 years that impacted the founding funding and growth of these history making schools The True Alpha and Omega Minister Jerrod Smith,Brother Clifton Lucas,2011-06-20 This bookexposes the true nature and culture of fraternities and sororities In these secret societies there are activities and requirements that cause prospective members and members alike to unknowingly enter into ungodly pacts and covenants These ungodly practices lead to activities which include physical abuse fornication adultery hatred envy strife manipulation social and intellectual elitism abominable sexual activities and witchcraft These organizations attract people that are looking for something that only Christ Jesus can provide However the organizations appears as a light by their community service and networking abilities This light however is a false light Once one gets into the inner workings of the organizations the sin and soul inflicting antics are found deeply rooted in darkness The authors being former members that participated in ungodly activities within these organizations expose the physical

mental sexual and spiritual death dealing activities found in fraternities and sororities This is by no means a kiss and tell composition but it is a trying to save people from hell exposition Actual accounts of sexual requirements abuse ancient ungodly spiritual practices witchcraft and required chants which denounce the existence the One True God are given in detail in this book Ungodly spirits of old have found new vessels to operate in through these fraternities and sororities The good thing about this book is that it not only exposes spiritual wickedness and old ungodly practices but it shows people who want to be free how to find God the Ancient of Days Let the Truth be told We encourage you to read this book if you are joining a fraternity or sorority are a member of one are a pastor or have a loved one in one of these organizations We desire for all to be free and blessed by this book
