Investigation and Study of the Federal Home Loan Bank Board United States. Congress. House. Committee on Government Operations,1962 Financial Statements-Based Bank Risk Aggregation Jianping Li,Lu Wei,Xiaoqian Zhu,2022-03-15 This book proposes a bank risk aggregation framework based on financial statements Specifically bank risk aggregation is of great importance to maintain stable operation of banking industry and prevent financial crisis A major obstacle to bank risk management is the problem of data shortage which makes many quantitative risk aggregation approaches typically fail Recently to overcome the problem of inaccurate total risk results caused by the shortage of risk data some researchers have proposed a series of financial statements based bank risk aggregation approaches However the existing studies have drawbacks of low frequency and time lag of financial statements data and usually ignore off balance sheet business risk in bank risk aggregation Thus by reviewing the research progress in bank risk aggregation based on financial statements and improving the drawbacks of existing methods this book proposes a bank risk aggregation framework based on financial statements It makes full use of information recorded in financial statements including income statement on and off balance sheet assets and textual risk disclosures which solves the problem of data shortage in bank risk aggregation to some extent and improves the reliability and rationality of bank risk aggregation results This book not only improves the theoretical studies of bank risk aggregation but also provides an important support for the capital allocation of

the banking industry in practice Thus this book has theoretical and practical importance for bank managers and researchers of bank risk management Investigation and Study of the Federal Home Loan Bank Board: pt. 1A.
