training known as Common Skills because it is common to every Marine. These common skills allow every Marine regardless of MOS to act as Rifleman when called upon. MCT Battalion generates Marine Riflemen to possess a foundational understanding of and their role in applying the Marine Corps warfighting ethos, core values, basic tenets of maneuver warfare, leadership responsibilities, mental, moral, and physical resiliency in order to contribute to the successful accomplishment of their unit's mission.

**New Rifleman Definition:** A Marine Rifleman embodies the Marine Corps warfighting ethos, offensively minded, lethal with their weapon, mentally, morally, physically resilient, proficient in basic field craft, and possessing a foundational understanding of leadership and the basic tenets of maneuver warfare.
