Qualifications and Credentialing of Mariners United States. Congress. House. Committee on Transportation and Infrastructure. Subcommittee on Coast Guard and Maritime Transportation,2009 Popular Science ,1977-02 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Manual on Participatory Epidemiology** Jeffrey C. Mariner,Roger Paskin,2000 Participatory techniques for data gathering have been known to agriculturists for some years However it is only relatively recently that these techniques have been adopted by veterinarians for use in the discipline of epidemiology Their use has been effective

and the techniques are being further developed and refined by veterinary epidemiologists in various parts of the world Participatory appraisal methods show great promise in developing regions and with the Global Rinderpest Eradication Programme GREP in an advanced stage the publication of this manual is particularly timely An appendix has therefore also been included dealing specifically with rinderpest and the stomatitis enteritis complex of diseases It is hoped that the material in this publication will both advance disease control and eradication efforts and stimulate further application of these innovative techniques
