

# Working with Questions in MathXL for School

The pages below provide best practices for entering answers into the MathXL question player to ensure students get proper credit for their answers.

When viewing questions in the MathXL question player, you will use different areas of the screen for viewing the question, entering your answer, checking your answer, and accessing tools to help you learn.

The screenshot shows the MathXL question player interface with several callouts explaining its components:

- Question**: Points to the question text area.
- Answer entry**: Points to the answer input field.
- Tap or click assignment status bar to access any question on the assignment**: Points to the top navigation bar.
- Tools to help you learn (usually not available during tests)**: Points to the 'Question Help' button.
- Check Answer button (not available during tests)**: Points to the 'Check Answer' button.
- Special instructions for answering the question**: Points to the 'Write the ratio as a fraction in simplest form' instruction.
- Number of parts**: Points to the 'All parts showing' indicator.
- General**: Points to the 'Clear All' button.
- Use arrow buttons to move**: Points to the navigation arrows.

The interface includes a top navigation bar with a 'Save' button and a settings icon. The main area displays the question text and the answer input field. The bottom bar contains the 'Check Answer' button and navigation arrows.
